NEW PRESIDENT TO 'DO MY BEST'

Texan Said Assassin

Kennedy Rites Due Monday

Respects Paid By Dignitaries

WASHINGTON (AP)—John F. Kennedy lies in death today in the White House from which he governed the nation.

From 10 to 11 a.m., Kennedy's immediate family was to view the body in the East Room of the White House.

From 11 a.m. to 2 p.m., the top officials of the government, led by President Johnson and including Speaker of the House John W. McCormack, D-Mass., and Chief Justice Earl Warren, were scheduled to arrive.

Cabinet members, officials of the executive branch appointed by the President and close personal friends were to view the body from 11 a.m. to 2 p.m.

From 2 to 2:30 p.m., associate justices of the Supreme Court and members of the federal judiciary were scheduled to call. From 2:30 to 5 p.m., members of Congress and governors were expected, followed by the diplomatic corps from 5 to 6 p.m.

Sunday at 1 p.m., members of the family, Supreme Court Justices, members of Congress and foreign diplomats will accompany President Kennedy's body as it moves from the White House down Pennsylvania Avenue to the Capitol.

The public will be permitted to file past the bier in the great rotunda of the Capitol shortly after its arrival until 9 p.m. Sunday, and again from 9 until 10 a.m. Monday.

At 11 a.m., Monday, the body will be taken to the cathedral for the funeral services.

Funeral services will be held at noon Monday at St. Matthew's Roman Catholic Cathedral with Richard Cardinal Cushing, Archbishop of Boston and a long-time friend of the Kennedy family celebrating a Pontifical Requiem Mass.

Send No Flowers, Family Requests

WASHINGTON (AP)—The family of John F. Kennedy has asked that no flowers be sent for his services or to the White House.

An announcement issued by the White House Friday night said the family "asked that anyone wishing to do so donate an equivalent amount to charity."

OSU Game Cancelled

ANN ARBOR, Mich. (AP)—Today's Michigan-Ohio State Big Ten football game was cancelled because of the death of President John F. Kennedy.

American Dream Killed

By THE ASSOCIATED PRESS
The hidden gunman who assassinated President Kennedy killed an American dream.

It was no wonder people cried in the streets.

Many Americans disagreed with Kennedy, some on one issue, some on another.

But there were many sides to him and, because there were, he meant different things to different people.

Each could find in him some part of his own dream of what is good, or rewarding, or to be desired, or to be striven for in American life.

In total he was a symbol for

'He's No Nut; He Is Sane'

Oswald Less Defiant, But Claims Innocence

DALLAS, Tex. (AP)—Lee Harvey Oswald, charged with murdering President Kennedy, insisted during hours of questioning Friday night that he was not the assassin.

With his jaw thrust out and his dark eyes intent and piercing, Oswald kept telling newsmen: "I did not kill President Kennedy. I did not kill any one. I don't know what this is all about."

After the formal charges were filed, Oswald was brought before newsmen. Speaking in a low voice into a cluster of microphones thrust into his face he denied killing the President.

He appeared less defiant than earlier in the evening but still was composed. He smiled several times as he was being questioned.

"I don't think he is a nut," Dist. Atty. Henry Wade told newsmen. "I think he is sane. I don't mean that he is any Ph. D., but he answers questions very easily, and he is sharp."

Secret Service agents, Dallas police and FBI men had quizzed Oswald for almost 10 hours before charging him with the murder of the President. Earlier in the evening he was charged with the unprovoked slaying of a policeman 50 minutes after the assassination.

When the dark-haired Oswald was escorted to a different office, he struck out his jaw and threw back his head when he saw the photographers. He raised his manacled right hand and clenched his fist.

One officer described him as cool, defiant and arrogant.

Oswald's mother, who came from nearby Fort Worth, said, "I'm broken hearted about this. He is really a good boy."

His wife, an attractive, petite

blonde, speaks broken English. A Russian-language expert was summoned to interpret.

Oswald attracted attention four years ago when he announced in Fort Worth that he

was going to Russia to live and would renounce his U.S. citizenship.

He went to the Soviet Union and lived there three years, during

PRIME SUSPECT — Lee H. Oswald (above), 24, a 1959 defector to Russia and chairman of a pro-Castro "Fair Play for Cuba Committee," has been jailed in Dallas as the prime suspect in sniper-murder of President Kennedy.

Ohioans Join Millions In Mourning JFK's Death

COLUMBUS, Ohio (AP)—Ohioans joined millions the world over today in mourning the death of President John F. Kennedy.

State flags—at the order of Gov. James A. Rhodes—flew at half mast along with the stars and stripes. State offices and agencies were closed.

The governor and Mrs. Rhodes were scheduled to fly to Washington to join officials from other states in paying their last respects to the assassinated president.

Expressions of shock, disbelief, sadness, and anger continued to pour in. But mostly the atmosphere was one of awe-stricken disbelief—as though the full impact of the tragedy was yet to come.

More than 200 persons gathered last night in downtown Columbus at a memorial service called by the local chapter of the Congress of Racial Equality.

They came, a spokesman said, "to mourn the loss of a great champion of the people." The crowd knelt in silence to pray.

The governor described the assassination as "a dastardly

act which will live in infamy." "I grieve the loss of the president. I grieve for his family and I grieve that an assassin so alien and so in-American could filch from our national supreme example as a citadel of freedom of speech and belief, some of the luster of that image," Rhodes said.

"We must ask the holy father to give this nation strength after its most terrible weakness. Let us pray together," Rhodes added.

Speaker of the Ohio House Roger Cloud, R-Logan, issued this statement: "It is tragic to the extreme—an indication of the high price that every man who serves in high public office must pay in the responsibility and risks he must take. I am sure as a person he had the sincere loving and respect of everyone."

Former Gov. Michael V. DiSalle, a close friend of the President and one of the first governors to openly support Kennedy in his 1960 campaign, was overwhelmed.

"The nation and world have lost a great leader with intellect dedicated to the preservation of peace and human dignity," DiSalle said, adding:

"Perhaps it will serve as a lesson to those who continue to feed the fires of ignorance and fanaticism, reckless of the possible destructive consequences not only in the loss of a great leader but to the country itself."

U. S. Sen. Frank J. Lausche, D-Ohio, said he was "stunned and grieved" by what happened. "He tried sincerely to follow a course which he believed was in the best interest of the people, the security of the nation, and in the interest of world peace," Lausche said.

Ohio Republican Chairman Ray C. Bliss said the assassination of the president "is a shock which saddens us all," adding that it seems unbelievable that

Young Man Denies Guilt

Once Renounced U.S. Citizenship

DALLAS, Tex. (AP)—A young man who once tried to renounce his country is charged with firing the two bullets that killed President Kennedy.

"No, I didn't kill the President," Lee Harvey Oswald, 24, said after he was charged Friday night with murder in the President's assassination.

Oswald swore allegiance to the Soviet Union four years ago and tried to renounce his American citizenship. He said he is now a member of "Fair Play for Cuba." Police termed him arrogant.

President Kennedy died 30 minutes after the assassin's bullets crashed into his neck and head as he neared the end of a triumphal motorcade Friday.

A third bullet wounded Texas Gov. John Connally. His condition was reported not critical.

Dist. Atty. Henry Wade of Dallas was asked if authorities were looking for anyone else in connection with the world-stunning murder.

"There is no one else but him," Wade said.

Taken before microphones and cameras early today, Oswald managed an occasional smile as he insisted in a low voice that he was innocent of Kennedy's death.

Wade was asked if he regarded Oswald as Communist-inspired or "just a nut."

He replied: "Well put it this way. I don't think he is a nut. I think he is sane."

Oswald had been taken into custody soon after Kennedy was fatally shot and Gov. Connally wounded in the back by three volleys fired from a high powered rifle.

Kennedy and Connally had been riding side by side in the presidential limousine, their wives sitting just ahead of them.

The key factor that led to Oswald's arrest at 2 p.m. Friday—an hour after the President's death—was the apparently senseless killing of a Dallas policeman.

Authorities said a clear trail led to Oswald and he was charged earlier with murder in the death of the officer.

If the massive manhunt for the 46-year-old president's assassin was ended, the investigation by city police and agents of the FBI and Secret Service continued.

Wade said the case could come to trial within three weeks, or could be delayed for as long as two months.

Wade prepared the charge, which accuses Oswald of murdering John F. Kennedy with "malice and forethought." Justice of the Peace David Johnston accepted the formal complaint, and read it aloud to newsmen.

County Mourns Untimely Death

BULLETIN

Circleville and Pickaway schools will close Monday in accordance with a proclamation issued at noon by Ohio Governor James A. Rhodes who has declared Monday "a day of mourning the death of John F. Kennedy—the 35th President of the United States."

Pickaway County joined the nation and the world today in mourning yesterday's untimely and tragic death of President John F. Kennedy.

Reports of the assassination in Dallas, Tex., shocked this community as it did every corner of the world. The tremendous impact left the entire public stunned, and probably will for many days to come. Remarks from the local citizenry disclosed a feeling of remorse, bewilderment, emptiness and failure to comprehend what they consider a black day in American history. A question heard throughout the city was "WHY?"

For many the tragic impact had not sunken in. Many could not find the words to express their grief.

This community, along with countless others across the land, will pay its most respect to the dead president today, tomorrow and Monday. Many official offices and businesses have announced plans to close on Monday.

Mayor Richard Penn's prepared statement today read: "The citizens of Circleville feel the tragic loss to the nation in the death of President John F. Kennedy. They extend their sympathy to the Kennedy family in this hour of bereavement. They offer their prayers and assistance to President Lyndon B. Johnson."

The mayor said city offices will be closed Monday, with the exception of police and fire operations.

Ashville Mayor Charles W. Morrison's statement noted:

Old Age Home Fire Kills 60

NORWALK, Ohio (AP)—More than 60 persons were killed today in a fire which swept through a one-story concrete old age nursing home in Fitchville, the Huron County sheriff's office reported.

A nurse on duty at the home said there were 86 patients, plus several employees, inside the one-story building when the fire broke out shortly after 5 a.m. Only 21 persons were safely accounted for. Most were taken to Fisher-Titus Memorial Hospital in Norwalk.

The home burned to the ground. Only the front door remained standing with the name clearly seen: "Golden Age Nursing Home."

Firemen were able to remove only those able to walk. The heat drove them back from any rescue attempts.

A funeral home director Richard Eastman, said many persons were trapped in their beds.

The first word of the fire came to the sheriff's office at 5 a.m. from a truck driver who was driving near the home on U.S. 250. The driver, who was not identified, helped in removing some of the old age patients.

Authorities feared they would not be able to recover any bodies from the blazing building. They were going over a floor plan of the home and set up a temporary morgue in the Fitchville High School gymnasium.

Fitchville is a community of about 200. It is 20 miles southeast of Norwalk, the county seat.

E. H. Woods of Cleveland, who is head of retirement hotels, said he built the home 10 years ago, but sold it two years ago to Robert Pollock of Cleveland.

Johnson Asks God's Help in Assignment

Chieftain Plunges Into Conference With U.S. Leaders

WASHINGTON (AP)—Asking God's help, Lyndon B. Johnson gathered up the monumental problems of the presidency today as the world, the nation and his family mourned John F. Kennedy, dead by an assassin's bullets.

"I will do my best—that's all I can do. I ask for your help and God's," said the new President, numbed and haggard, after accompanying the slain chief executive's body back to Washington from Dallas.

A few hours after the slaying, Dallas police charged a 24-year-old man who professed love for Russia with murder and said he was the assassin. He was identified as Lee Harvey Oswald.

As arrangements were made for family, friends and dignitaries to view Kennedy's body at the White House today, Johnson set about getting advice on the troubles that abruptly were thrust into his hands.

He set up morning conferences with Secretary of State Dean Rusk and former President Dwight D. Eisenhower, who not many years ago listened to advice from Johnson, then leader of the Democratic opposition in the Senate—some say the most able leader the Senate ever had.

Almost as soon as he arrived back in Washington Friday night, the 55-year-old Texan with a reputation as a tough political genius plunged into a meeting of congressional leaders of both parties where he asked for and got pledges of support in his days of trial ahead.

Johnson, who fought a losing fight against Kennedy for the Democratic presidential nomination in 1960, automatically became the 36th President of the United States the moment Kennedy's life ebbed away in the emergency room of a Dallas hospital.

Johnson was in the car behind Kennedy's when three bullets from a sniper ripped into the open presidential limousine, striking Kennedy in the head and throat and wounding Texas Gov. John Connally.

Blood sprang from the President's face and he fell forward in the back seat of the car. Mrs. Kennedy, who had been riding with him, tried to lift his head, crying, "Oh, no!"

Half an hour later John F. Kennedy, 46, the first Roman Catholic and youngest man ever elected to the presidency, was dead.

(Continued on Page 2)

Tragic News from Dallas Echoes Around World

WASHINGTON (AP)—The tragic flash from Dallas reverberated around the world like a clap of thunder. The young vigorous President of the United States was dead at the hands of an assassin, and everywhere the great and the lowly mourned John F. Kennedy's passing.

The deadening shock gave way to tears and then to universal heartache for Jacqueline Kennedy and her two young children. Rich and poor, black and white, shuddered and were bewildered.

Messages of condolence poured into the White House from presidents, premiers and crowned heads. Churches filled with people come to pray and sob.

"This is a sad time for all people," the new President, Lyndon B. Johnson, told the nation on his return to Washington. "We have suffered a loss that cannot be weighed."

During the early morning hours in Moscow, Premier Khrushchev dressed in black, drove to the U.S. Embassy to personally convey his "deep sadness" on the assassination of the President. Khrushchev and his wife, Nina, sent telegrams of condolences to Mrs. Kennedy.

In New Haven, Conn., a citizen said with a catch in his

voice: "I felt as if he was my brother. But he was more than that—he was our President."

Pubs in London and cafes in Paris fell silent. In Moscow a Russian girl walked weeping along the street. In Vatican City Pope Paul VI prayed for the soul of the dead President.

Scars of past political strife were forgotten as old foes joined with old allies and the three living former presidents in a unity of grief.

Richard M. Nixon, who lost the presidency to Kennedy in 1960 in a razor-thin race, said in New York: "The assassination of the President is a terrible tragedy for the nation. Mr. Nixon and I have sent a personal message expressing our deepest sympathy to the members of the family in this hour of sorrow."

Another old political opponent, Republican Sen. Barry Goldwater of Arizona, considered by many the front-runner in the race for the 1964 GOP presidential nomination, learned of Kennedy's death at a Chicago airport and telephoned his Washington office: "The President's death is a profound loss to the nation and the free world."

In Independence, Mo., former President Harry S. Truman was too shaken at first to comment.

Johnson was in the car behind Kennedy's when three bullets from a sniper ripped into the open presidential limousine, striking Kennedy in the head and throat and wounding Texas Gov. John Connally.

Blood sprang from the President's face and he fell face forward in the back seat of the car. Mrs. Kennedy, who had been riding with him, tried to lift his head, crying, "Oh, no!"

Half an hour later John F. Kennedy, 46, the first Roman Catholic and youngest man ever elected to the presidency, was dead.

Tragic News from Dallas
Echoes Around World

WASHINGTON (AP) — The tragic flash from Dallas reverberated around the world like a clap of thunder. The young vigorous President of the United States was dead at the hands of an assassin, and everywhere the great and the lowly mourned John F. Kennedy's passing.

The deadening shock gave way to tears and then to universal heartache for Jacqueline Kennedy and her two young children. Rich and poor, black and white, shuddered and were bewildered.

Messages of condolence poured into the White House from presidents, premiers and crowned heads. Churches filled with people come to pray and sob.

"This is a sad time for all people," the new President, Lyndon B. Johnson, told the nation on his return to Washington. "We have suffered a loss that cannot be weighed."

During the early morning hours in Moscow, Premier Khrushchev dressed in black, drove to the U.S. Embassy to personally convey his "deep sadness" on the assassination of the President. Khrushchev and his wife, Nina, sent telegrams of condolences to Mrs. Kennedy.

In New Haven, Conn., a citizen said with a catch in his

voice: "I felt as if he was my brother. But he was more than that — he was our President." Pubs in London and cafes in Paris fell silent. In Moscow a Russian girl walked weeping along the street. In Vatican City Pope Paul VI prayed for the soul of the dead President.

Scars of past political strife were forgotten as old foes joined with old allies and the three living former presidents in a unity of grief.

Richard M. Nixon, who lost the presidency to Kennedy in 1960 in a razor-thin race, said in New York: "The assassination of the President is a terrible tragedy for the nation. Mrs. Nixon and I have sent a personal message expressing our deepest sympathy to the members of the family in this hour of sorrow."

Another old political opponent, Republican Sen. Barry Goldwater of Arizona, considered by many the front-runner in the race for the 1964 GOP presidential nomination, learned of Kennedy's death at a Chicago airport and telephoned his Washington office: "The President's death is a profound loss to the nation and the free world."

In Independence, Mo., former President Harry S. Truman was too shaken at first to comment. (Continued on Page 2)

ASSASSIN'S WEAPON — Dallas Police Lt. Carl Day (left) carries the rifle with which an assassin cut down President Kennedy in view of a crowd of 250 thousand. Arrow (right) shows the window where the assassin waited to kill the President.

Oswald . . .

(Continued from Page 1)
ing which time he married his wife. Then he applied for permission to return to the United States.

In a radio interview last summer in New Orleans, where he was born Oct. 18, 1939, Oswald claimed he never actually renounced his American citizenship, and therefore had been able to return to America. However, State Department officials said their records show that on Nov. 2, 1959, in Moscow, he swore allegiance to Russia when he turned in his American passport.

He was twice court-martialed while serving with the Marines in Japan, a Marine Corps spokesman said. One charge was violating a regulation requiring the registration of privately owned firearms. The other was for using provocative words to a noncommissioned officer.

Oswald was fined in New Orleans last year for disturbing the peace after he and some anti-Castro Cubans scuffled as Oswald was passing out pro-Castro literature.

A Cuban exile now living in New Orleans, Carlos Bringuier, said a man named Lee H. Oswald tried to infiltrate Bringuier's anti-Castro organization. "He offered himself as a former Marine to train Cubans for an invasion," Bringuier said. "I was suspicious of him from the start. A few days later I encountered him distributing 'viva Fidel Castro' literature."

PTA Board To Meet

The Atwater PTA Executive Board will meet 10 a. m. Monday in the home of Mrs. Robert Hendricks, 1064 Georgia Road.

MARKETS

Hog prices, all net, were reported by the Bowling Stock yards Company here today as follows:

190-220 lbs., \$14.85; 220-240 lbs., \$14.25; 240-260 lbs., \$13.75; 260-280 lbs., \$3.25; 280-300 lbs., \$12.75; 300-350 lbs., \$12.25; 350-400 lbs., \$11.75; 180-190 lbs., \$14.25; 160-180 lbs., \$13.25.

CASH prices paid to farmers in Circleville:

Corn	1.04
Rye	.90
Wheat	1.94
Oats	.68
Soybeans	2.58
Barley	.89
Eggs	.35
Speltz	.98
Heavy Hens	1.11
Light Hens	.86
Old Roosters	.97
Butter	.60

County . . .

(Continued from Page One)
"Due to the great sadness which is in the hearts of everyone, I hereby proclaim the Village of Ashville to be in an attitude of prayer during the present national tragedy." He said due to the death of the President, the Open House at the new village Sewage Treatment plant scheduled for Sunday will be postponed until next Sunday.

The Pickaway County Commissioners, Auditor and Clerk of Courts closed their offices today in memory of the tragic death of President John F. Kennedy.

Both Mayor Richard W. Penn and the Board of Commissioners have ordered all city - county offices and departments closed all day Monday. Regular office hours will resume on Tuesday.

Common Pleas Judge William Ammer said that jurors summoned for duty at 9 a. m. Monday will report at the courtroom on Tuesday.

Circleville area banks may also close Monday in respect for the President. Other financial institutions were attempting to determine from their superiors whether local offices will close.

Circleville and Pickaway County churches will conduct memorial services for the late President during regular Sunday services tomorrow. The President's death came so suddenly, a spokesman said, that the Pickaway County Ministerial Assn. had no opportunity to make special arrangements.

City and county schools will meet for regular sessions on Monday. In a joint statement, Fritz Jacobs and George McDowell, city and county superintendents respectively said: "We can honor the memory of the late President more by having school in session and reviewing history made by him. Every school or class will hold a special memorial service. However, should Governor Rhodes return from Washington and request that schools close, we will follow suit."

The basketball game scheduled tonight in the Circleville High School gymnasium between the Tigers and the Lancaster Gales will be played it was announced today.

Indications at noon today were that some downtown businesses would close Monday for the President's funeral, while others will remain open for business. A Chamber of Commerce spokesman said some retail merchants plan to close for a short time at noon in memory of President Kennedy.

Berger Staff Treats Scalp Laceration

Donna Payne, 5-year-old daughter of Mr. and Mrs. Marvin Payne, 1068 Mulberry Rd., was treated in the Berger Hospital emergency room yesterday for a scalp laceration.

She cut her head on an unknown object while playing outside her home.

Forty ships from some 20 nations are currently engaged in the International Indian Ocean Expedition. Of major importance will be studies in marine biology, for although this ocean contains the world's most productive fishing grounds, it has an unusually high fish mortality rate.

New Citizens

MASTER HASTINGS
Mr. and Mrs. Robert Hastings, Williamsport, are the parents of a 6-pound 9-ounce son born at 6:15 p. m. yesterday in Berger Hospital.

Another Tragedy Falls On Jacqueline Kennedy

WASHINGTON (AP) — Mrs. Kennedy said goodbye to her husband with a kiss on his lifeless lips and then slipped her ring on his finger.

From then on—from the emergency room in the Dallas hospital through the sad flight home, to the Naval hospital where he was prepared for burial until she brought him home in death to the White House early today—she was at his side.

As she passed through the somber portals of the executive mansion she still wore the pink suit stained with the blood of his fatal wounds, and carried herself with self control.

It was a harsh day and it left Mrs. Kennedy dazed and tearless, almost unable to show emotion.

Death struck at what was to be one of the happiest times of the year for the Kennedys—the birthday celebrations of their two children—Caroline and John Jr.—and the traditional gathering of the Kennedy clan for a festive Thanksgiving at Cape Cod.

White House emissaries had been dispatched to buy special favors for the birthday parties that had been planned for John, who will be 3 on Monday, and Caroline, turning 6 next Wednesday.

Now, it remained for Mrs. Kennedy to console her small children over the loss of their father. Evidently Mrs. Kennedy

Assassination Is 4th in History

WASHINGTON (AP)—John F. Kennedy is the fourth American president to be killed by assassins' bullets.

The first was Abraham Lincoln, shot in the head April 15, 1865, by Southern sympathizer John Wilkes Booth in Ford's Theater here.

James A. Garfield was gunned down July 2, 1881, by Charles J. Guiteau in the capital railroad station as he was starting out on a vacation. Garfield lingered on for more than two months before dying Sept. 19.

William McKinley died Sept. 14, 1901, shot by an anarchist eight days earlier at the Pan American Exposition in Buffalo, N.Y.

Kennedy was fatally wounded Friday by a sniper during a Dallas, Tex., motorcade.

Slaying Brings Truce in Strike

TOLEDO, Ohio (AP)—The Toledo Blade Co. announced today it had made a truce with the striking Toledo Newspaper Guild and had agreements with other unions of its employees so it could resume publication with Sunday's edition.

The guild and management issued a joint statement Friday night which said the union—because of President Kennedy's assassination—had "resolved to subordinate its own interest to the public interest and to volunteer the services of its members in the immediate publication of Toledo's daily newspapers."

Britons Shocked By Yankee Toasts

LONDON (AP) — Britons were shocked here Friday night when they saw several visiting Americans toasting Sen. Barry Goldwater, leading undeclared candidate for President in 1964 U.S. elections.

The Britons expressed their shock at the thought that the Americans would react in such a fashion to the assassination of President John F. Kennedy a few hours earlier.

LBJ, Garfield Tied To Same Church

WASHINGTON (AP) — President Johnson is the second chief executive to belong to the Christian Church (Disciples of Christ).

The other was President James A. Garfield, who was shot by an assassin July 2, 1881 and died Sept. 19 of that year.

The Christian Church, as it is most commonly known, numbers about 1.8 million members in the United States.

KIWANIS SPEAKER — Zane H. Jones, Columbus region financial plans adviser for Nationwide Life Insurance Co., will be guest speaker at Monday's meeting of the Circleville Kiwanis Club. His topic will be the Keogh Bill which pertains to self-employed retirement legislation. Jones, associated with the insurance industry since 1929, has had extensive training in investments, tax structure, mutual funds and estate problems relating to life insurance.

Questions and Answers

Ohio U. Branch Program Outlined

EDITOR'S NOTE: Steps to establish an Ohio University Branch at Teays Valley High School have been undertaken by a steering committee in the district. As a promotional effort, members have compiled a series of questions and answers directly concerned with the proposed branch operation for Pickaway County. Prospective student enrollment is considered the key factor in making the plan operational. Members of Pickaway Counties will become interested if they are familiar with the proposed program. The second installment of questions and answers follows.

Q. Will the state bond issue passed in the recent election have any bearing on the establishment of branches?
A. Yes. The fact that this proposal received favorable attention by the voters enhances the possibilities for the branch. This was one of the purposes for the issue.

Q. I do not live in Pickaway County. May I enroll?
A. Yes. This will be a state sponsored branch. There are no geographical limitations.

Q. Why is the proposed branch to be located at Teays Valley High School?
A. Uncovered facilities are available at Teays Valley High School and the Teays Valley School Board has offered to make them available for a branch.

Q. Would Ohio University pay Teays Valley School District for the use of these facilities?
A. No. The facilities would be provided free of charge with Teays Valley underwriting the cost of heat, light, janitorial services and allied costs.

Q. Does the University approve of the facilities available?
A. Dean Gibitz of Ohio University (dean of branches) has inspected Teays Valley High School and has approved the facilities.

Q. How many students are needed to interest Ohio University in establishing a branch?
A. Dean Gibitz has stated that we should have 100 full-time students and 100 part-time students to receive serious consideration.

Q. Why are efforts being made to establish a branch at this time?
A. College enrollments are booming. As an example, Ohio University had about 4,000 students last year.

New President Seeks U.S. Unity

(Continued from Page 1)

It was stunning, almost unbelievable news that flashed around the country and to the far reaches of the world.

Expressions of grief, sorrow, surprise poured in from friends and antagonists, allies and foes, from the Kremlin and from the Vatican.

For Johnson, the problems were just beginning.

By moving into the White House he also assumes leadership of the West in the cold war—and faces the major question of whether Soviet Premier Khrushchev will stir up a new crisis to test the mettle of the new American chief executive.

Judging from Johnson's public statements, no big change in foreign policy appeared likely, for he has strongly supported the Kennedy line.

Another problem is Congress where Kennedy's legislative program—the tax reduction bill and civil rights legislation—is stalled apparently for the rest of the year.

Johnson won his fame, however, by whipping and cajoling senators toward his way of thinking.

But the consensus on Capitol Hill is that there will be no more battles in the halls of Congress this year.

Already worn and with tempers frayed after 11 months of its first session, Congress is expected to close shop soon and go home until the next session in January.

Also coming soon was a decision whether Johnson will campaign to try to win the presidency in his own right in 1968.

Even as the troubles of the world and the country whirled on, the nation lowered its flags to half staff in mourning for its young President with the Harvard accent whose watchword became "vigor."

Today, Kennedy's body was to lie in repose in the East Room of the White House as dignitaries—Eisenhower among them—file by.

Sunday his body will be carried in a somber cortege up the route of presidents and heroes—Pennsylvania Avenue—to the Capitol where he will lie in state until Monday morning beneath the towering dome of the Capitol.

Then it will be taken to St. Matthews Roman Catholic Cathedral, a few blocks from the White House, where Richard Cardinal Cushing, Archbishop of Boston, will celebrate a Pontifical Requiem Mass at noon.

Another former President, Harry S. Truman, will come to Washington Sunday to pay homage to Kennedy and his respects to the new chief executive.

There were unconfirmed reports Kennedy would be buried where his infant son, Patrick, was interred just a few weeks ago in a family plot in a Brookline, Mass., cemetery. Arlington National Cemetery was another possibility.

There was no word whether the late President's two children, Caroline and John Jr., had been told of their father's death. Both have birthdays this month—Caroline turning 6 and John 3.

Friday night Mrs. Kennedy went to Bethesda Naval Hospital where Kennedy's body was prepared for burial.

Also at the hospital were Atty. Gen. Robert F. Kennedy, the late President's brother and chief adviser, and several aides, said the assistant White House press secretary, Andrew Hatcher.

In Rome Pope John VI, who received the chief executive at an audience during his June visit to Italy, prayed for him.

Rep. Henry B. Gonzales, D-Tex., reported Mrs. Kennedy's last goodbye to her husband lying in Dallas' Parkland Hospital.

She gave her husband a final kiss, Gonzales said, and then slipped the ring from her finger and placed it on his.

Minutes later, Kennedy's bronze coffin was wheeled out of the hospital for the sad journey to Washington.

Aboard the plane before take-off, with Mrs. Kennedy and his

wife at his side, Johnson took the oath of office from U.S. District Judge Sara T. Hughes.

Twenty-seven people, all there was room for, crowded into the gold-carpeted presidential compartment of the big jet for the two-minute ceremony.

At Andrews Air Force Base, just outside the capital, a military guard of honor came to attention as the jet with the big American flag on its tail touched down and taxied into the glare of lights.

The coffin was lowered on an elevator platform, then carried to a cream-colored Navy ambulance.

Mrs. Kennedy, who came down the plane's steps with chin high, climbed in to accompany her husband's body on the ride to the hospital.

With two motorcycles riding escort, the ambulance sped away into the night.

Johnson, his wife at his side, then stepped off the plane. Looking wan and drawn, Johnson shook hands with government officials and congressional leaders, faced a battery of microphones and cameras, and asked the help of all Americans and God.

The big Army helicopter that had flown Kennedy so often now carried the new President to the White House.

Johnson held his wife's arm as they walked down the copter's ramp to the lawn. He spoke briefly with Secretary of Defense Robert S. McNamara and McGeorge Bundy, special assistant to the President for national security affairs, who rode in the helicopter with him.

Then the party moved through the rose garden that Kennedy had always taken delight in and up to the executive mansion, looming whitely in the darkness with the Washington Monument a bright shaft in the distance behind them.

Then, while the others stood beneath the portico outside, Johnson walked alone through the French doors and into the White House.

During the flight from Dallas, the new First Family talked by telephone with Mrs. Rose Kennedy, the late President's mother, at Hyannis Port, Mass.

An aide said Johnson told her: "I wish to God that there was something I could do. I just wanted you to know that."

Johnson also called Mrs. Connally from the plane and learned from Connally's physician that the governor's condition is good.

Shortly before 9:30 p.m. Johnson left the White House and drove to his residence in the Spring Valley section of northwest Washington.

As the black limousine pulled into the long driveway and passed through the ornamental gates he managed a wave for reporters.

Secret Service men who ringed the sprawling dome then closed the gates.

The news of the assassination struck Washington with paralyzing impact.

The President's younger brother, Sen. Edward M. Kennedy, was presiding over the Senate when word came. He hurried off the podium and the Senate recessed.

Supreme Court justices ended their deliberations.

Work stopped at government offices as everyone clustered around radios, television sets and news printers.

Slowly LaFayette Park across from the White House filled with people who stared solemnly at the executive mansion as the flag was lowered.

All the former surviving presidents, Eisenhower, Hoover and

Views on TV - Radio

HOLLYWOOD (AP)—"Well," the doctor said to Danny Thomas, "you don't have cancer."

"Thanks a million, doc," the comedian said with a gulp. "I'll pay you double."

Thomas related the incident during a rehearsal break of his television show. He has 16 to go, and then he swears the series is over.

He announced recently that his 11th season would be his last, but some trade observers are still doubting Thomas. CBS stands with open checkbook, eager to retain an integral part of its Monday night powerhouse.

Thomas insisted there will be no switch in his decision, which he said was due largely to reasons of health.

"I have a callous on my vocal cord," he said. "It is not a polyp and it is not cancerous; it cannot be removed by surgery."

"I am under a constant strain what with directing as well as acting in the show and taking care of the worries along with my partner Sheldon Leonard, of our other shows—Andy Griffith, Joey Bishop, Dick Van Dyke, Bill Dana.

"I receive medication twice a day, and the treatment is aimed at slowing me down. Because I feel lethargic, I have to protect my voice in order to rise above it, so I am straining my throat even more."

As further proof, he said his television family has been notified their options will not be picked up.

What happens to Danny next year?

"I may do nothing if my throat isn't better," he said.

Then he added: "Of course I'll play the sands in Las Vegas and Harrah's at Lake Tahoe. And I'll be overseeing all our shows. I'll do six specials on television if anyone will buy them. And I'd like to play some fairs and auditoriums."

"All right, so I'm an entertainer. I can't quit. I work for a living, not for money. My work is my life."

Mt. Pleasant Group Has Meet

The Mt. Pleasant Commission on Education met at the church Thursday evening.

Plans were made for a Christmas program to be given Dec. 22 during the Sunday School Hour. Each class is to participate in the program.

A Bible Study Class was organized by the Rev. William Nelson. He distributed various translations of the Bible, to be used in the study program, which will meet for the first time on Dec. 26.

Those attending included Rev. and Mrs. Nelson, Mr. and Mrs. Carroll Cook, Mr. and Mrs. Dorsey Bumgarner, Mr. and Mrs. Ross Morehead, Mrs. Russell Yapple, Mrs. Clyde Karshner, Mrs. Forrest Hopkins, Mrs. Charles Lauderdale, Mrs. John Brown, Mrs. Roy Rittinger, Mrs. Paul Counts and Miss Kathelene Streevey.

Local Motorist Injured in Accident

Esther R. Thomas, 508 N. Pickaway St., suffered a fractured left arm 7:16 p. m. yesterday in an accident on North Pickaway St. near Fulson Ave. Her car struck a parked auto belonging to Harold Gray, 169 Fairview Ave.

Truman, expressed their shock and grief.

Richard M. Nixon, the former vice president who lost to Kennedy in the 1960 presidential campaign, called Kennedy's assassination "a terrible tragedy for the nation."

Odd Happenings Lead to Killer

(Continued from Page 1)

A trail of strange circumstances led authorities to bear down on Oswald as the prime suspect in the killing:

—Oswald worked in a textbook warehouse which police pinpointed as the place from which a high-powered rifle with a telescope sight was aimed at the head of the chief executive as he drove past in his open limousine.

Police said Oswald was in the building at the time.

—Within 45 minutes after Friday's assassination, and almost at the moment Kennedy's heart beat stopped, a policeman who tried to pick up Oswald as a suspicious person four miles from the warehouse was shot to death.

Police said the bullet that killed the officer came from a pistol fired by Oswald, who was charged with murder.

—Mrs. Oswald, mother of a 2-month-old child, was quoted by Wade as reporting her husband had in his possession as recently as Thursday night a rifle matching in description the one used by the assassin.

—The personal history of Oswald was in character with the misfit backgrounds of past presidential assassins, who were lunatics, anarchists or political fanatics of one kind or another.

Police said that Oswald, during his first 10 hours of questioning, was arrogant and defiant. They promised him a night's sleep in the city jail before grilling him anew.

Wade told newsmen that Dallas authorities had no prior cause to take note of his activities.

A massive hunt for Kennedy's assassin began almost before the echo of the tragic, history-altering shots had died away.

The bullets sent Kennedy slumping forward, unconscious, at about 12:30 p.m., CST. At 1 p.m., the President was dead in an emergency room at Dallas Parkland Hospital. Vice President Lyndon B. Johnson automatically assumed the powers of president.

Kennedy apparently had no chance.

"We never expected to save his life," said one doctor. "He was too grievously wounded. We just did what we could."

At least eight physicians crowded into the emergency room and gave the President blood transfusions and oxygen.

The frantic but vain efforts of the medical experts also included heart massage and surgery to cut a hole in Kennedy's windpipe—with the hope of easing his labored breathing.

Police were certain that the assassin's shots were fired from the fifth floor of the Texas School Depository, an aging brick building on the western fringe of the business district where a private firm stores, buys and sells school textbooks.

The bullets traveled about 100 yards at a 45-degree angle.

James W. Altgens, Associated Press photographer, said the President's head soon was bathed in blood.

As the dying President slumped forward, his wife, Jacqueline, reached for her husband, uttering a desperate and pathetic, "Oh, no!"

A Secret Service agent threw himself, spread-eagled, over the rear seat of the big blue car—protecting with his body the two wounded men.

The motorcade stopped momentarily. Then William Greer Kennedy's Secret Service driver, trapped on the accelerator and whipped the car forward—to get out of range of the gunman and to race for Parkland Hospital.

Kennedy never regained consciousness. Two priests were hastily summoned to give the last rites to the nation's first Roman Catholic president.

At about the time Kennedy died, policeman J.D. Tippett was shot fatally in Oak Cliff, some four miles from where the President had been fatally wounded.

Minutes later, police were tipped a suspicious-looking man had been seen entering the Texas Theater and a squad of police quickly surrounded the little movie house.

They brought Oswald out after a fight and he was charged, hours later, with Tippett's slaying. An eyewitness told police Oswald shot Tippett, who had apparently stopped the dishonorably discharged ex-Marine for questioning. No one knows what caused the officer to want to question Oswald.

On the fifth floor of the school depository where Oswald worked, police found a foreign-made rifle with telescopic sight, partly hidden behind a stack of books. Spent cartridges and scraps of fried chicken were scattered about.

Most people who heard the fatal shots thought they sounded like giant firecrackers. Only when Kennedy and Connally slumped in their seats and Mrs. Kennedy cried out did they realize they had been witnesses to a tragic piece of history.

At that point, some who had been watching the progress of the presidential motorcade threw themselves to the ground face down, to seek protection from further gunfire.

The shots came as the Kennedys and the Connallys drove out of the business district where massed thousands, standing 10 and 12 deep along the curbs, had cheered.

As the limousine approached a triple underpass, heading for a new expressway that was to lead Kennedy to a luncheon speaking date, the wife of the Texas governor turned to him and remarked:

"You can't say Dallas isn't friendly today."

He was shot before he could reply.

Mrs. Connally's comment was based on the fact that Dallas has voted Republican in recent years and has become widely regarded as a center of conservative thought.

WITH GOD'S HELP — Lyndon B. Johnson appeals for the help of God and the American people after assuming the burdens of the Presidency in the wake of President Kennedy's assassination. Here he talks with newsmen at Andrews Air Force Base.

A HUSBAND, BROTHER GONE — Still wearing her blood-stained clothes Jackie Kennedy arrives at Andrews Air Force Base in a daze. Comforting her is Attorney-General Robert Kennedy (left), brother of the slain President.

TODAY In History

By THE ASSOCIATED PRESS

Today is Saturday Nov. 23, the 327th day of 1963. There are 38 days left in the year.

Today's highlight in history: On this date in 1903, the great Italian tenor, Enrico Caruso, made his American debut at the Metropolitan Opera House in New York. He sang the role of the duke in Giuseppe Verdi's "Rigoletto."

On this date:

In 1765, the court of Frederick County, Md., became the first colonial agency to repudiate the infamous British Stamp Act.

In 1942, President Franklin D. Roosevelt signed the bill authorizing creation of the women's reserve of the U.S. Coast Guard.

Ten years ago—Queen Elizabeth II of England and the Duke of Edinburgh left London on the first leg of a global tour.

Five years ago—Ghana and Guinea agreed to merge in a confederacy intended to form the nucleus of a Union of West Africa.

One year ago — A United Air Lines Viscount turboprop liner crashed near Elliott City, Md., killing all 17 aboard.

BSA Leaders Set Plans For Jamboree

There will be a meeting of the Pickaway District Boy Scouts 7:30 p. m. Monday in the conference room of the General Electric plant to review final arrangements and details of Astronaut Neil Armstrong's visit to Pickaway County.

The meeting was announced by Gil Bolin, central Ohio Council Scout executive. The astronaut will appear at the Pickaway County Adventure Roundup Jamboree and luncheon Nov. 30.

Luncheon ticket chairman Gary Winner, who noted there was widespread interest in Armstrong's appearance, said advance reservations for the luncheon will be accepted by Mrs. Harry Diehl, GR 4-3561, or himself by Monday.

Top-Unloading MARIETTA HARVEST-KING SILO

best way to store high-moisture ground ear corn

Marietta's top-unloading Harvest-King silo is air-tight and moisture-proof. Thanks to exclusive Dur-A-Gal interior lining you can store high-moisture ground ear corn — and preserve up to 90% of the nutrients produced in the grain.

Find out today how you can own a Marietta Harvest-King silo with easy, convenient payments.

Marietta oxygen-free

GRAIN-MASTER

SILO

Perfect storage for high moisture shelled corn

Until now you have had to pay twice the cost of a Marietta Grain-Master silo to get its air-tight, oxygen-free features and the convenience of bottom unloading. No longer. Now you can own a Grain-Master — save thousands of dollars in original cost. Get full details and facts about easy payment plan. Call today — right away.

New President Seeks U.S. Unity

(Continued from Page 1)
It was stunning, almost unbelievable news that flashed around the country and to the far reaches of the world.

Expressions of grief, sorrow, surprise poured in from friends and antagonists, allies and foes, from the Kremlin and from the Vatican.

For Johnson, the problems were just beginning.

By moving into the White House he also assumes leadership of the West in the cold war—and faces the major question of whether Soviet Premier Khrushchev will stir up a new crisis to test the mettle of the new American chief executive.

Judging from Johnson's public statements, no big change in foreign policy appeared likely, for he has strongly supported the Kennedy line.

Another problem is Congress where Kennedy's legislative program—the tax reduction bill and civil rights legislation—is stalled apparently for the rest of the year.

Johnson won his fame, however, by whipping and cajoling senators toward his way of thinking.

But the consensus on Capitol Hill is that there will be no more battles in the halls of Congress this year.

Already worn and with tempers frayed after 11 months of its first session, Congress is expected to close shop soon and go home until the next session in January.

Also coming soon was a decision whether Johnson will campaign to try to win the presidency in his own right in 1968.

Even as the troubles of the world and the country whirled on, the nation lowered its flags to half staff in mourning for its young President with the Harvard accent whose watchword became "vigor."

Today, Kennedy's body was to lie in repose in the East Room of the White House as dignitaries—Eisenhower among them—file by.

Sunday his body will be carried in a solemn cortege up the route of presidents and heroes—Pennsylvania Avenue—to the Capitol where he will lie in state until Monday morning beneath the towering dome of the Capitol.

Then it will be taken to St. Matthews Roman Catholic Cathedral, a few blocks from the White House, where Richard Cardinal Cushing, Archbishop of Boston, will celebrate a Pontifical Requiem Mass at noon.

Another former President, Harry S. Truman, will come to Washington Sunday to pay homage to Kennedy and his respects to the new chief executive.

There were unconfirmed reports Kennedy would be buried where his infant son, Patrick, was interred just a few weeks ago in a family plot in a Brookline, Mass., cemetery. Arlington National Cemetery was another possibility.

There was no word whether the late President's two children, Caroline and John Jr., had been told of their father's death. Both have birthdays this month—Caroline turning 6 and John 3. Friday night Mrs. Kennedy went to Bethesda Naval Hospital where Kennedy's body was prepared for burial.

Also at the hospital were Atty. Gen. Robert F. Kennedy, the late President's brother and chief adviser, and several aides, said the assistant White House press secretary, Andrew Hatcher.

In Rome Pope John VI, who received the chief executive at an audience during his June visit to Italy, prayed for him.

Rep. Henry B. Gonzales, D-Tex., reported Mrs. Kennedy's last goodbye to her husband lying in Dallas' Parkland Hospital.

She gave her husband a final kiss, Gonzales said, and then slipped the ring from her finger and placed it on his.

Minutes later, Kennedy's bronze coffin was wheeled out of the hospital for the sad journey to Washington.

Aboard the plane before take-off, with Mrs. Kennedy and his

wife at his side, Johnson took the oath of office from U. S. District Judge Sara T. Hughes.

Twenty-seven people, all there was room for, crowded into the gold-carpeted presidential compartment of the big jet for the two-minute ceremony.

At Andrews Air Force Base, just outside the capital, a military guard of honor came to attention as the jet with the big American flag on its tail touched down and taxied into the glare of lights.

The coffin was lowered on an elevator platform, then carried to a cream colored Navy ambulance.

Mrs. Kennedy, who came down the plane's steps with chin high, climbed in to accompany her husband's body on the ride to the hospital.

With two motorcycles riding escort, the ambulance sped away into the night.

Johnson, his wife at his side, then stepped off the plane. Looking wan and drawn, Johnson shook hands with government officials and congressional leaders, faced a battery of microphones and cameras, and asked the help of all Americans and God.

The big Army helicopter that had flown Kennedy so often now carried the new President to the White House.

Johnson held his wife's arm as they walked down the copier's ramp to the lawn.

He spoke briefly with Secretary of Defense Robert S. McNamara and McGeorge Bundy, special assistant to the President for national security affairs, who rode in the helicopter with him.

Then the party moved through the rose garden that Kennedy had always taken delight in and up to the executive mansion, looming whitely in the darkness with the Washington Monument a bright shaft in the distance behind them.

Then, while the others stood beneath the portico outside, Johnson walked alone through the French doors and into the White House.

During the flight from Dallas, the new First Family talked by telephone with Mrs. Rose Kennedy, the late President's mother, at Hyannis Port, Mass.

An aide said Johnson told her: "I wish to God that there was something I could do. I just wanted you to know that."

Johnson also called Mrs. Connally from the plane and learned from Connally's physician that the governor's condition is good.

Shortly before 9:30 p.m. Johnson left the White House and drove to his residence in the Spring Valley section of northwest Washington.

As the black limousine pulled into the long driveway and passed through the ornamental gates he managed a wave for reporters.

Secret Service men who ringed the sprawling dome then closed the gates.

The news of the assassination struck Washington with paralyzing impact.

The President's younger brother, Sen. Edward M. Kennedy, was presiding over the Senate when word came. He hurried off the podium and the Senate recessed.

Supreme Court justices ended their deliberations.

Work stopped at government offices as everyone clustered around radios, television sets and news printers.

Slowly Lafayette Park across from the White House filled with people who stared solemnly at the executive mansion as the flag was lowered.

All the former surviving presidents, Eisenhower, Hoover and

Views on TV - Radio

HOLLYWOOD (AP)— "Well," the doctor said to Danny Thomas, "you don't have cancer."

"Thanks a million, doc," the comedian said with a gulp. "I'll pay you double."

Thomas related the incident during a rehearsal break of his television show. He has 16 to go, and then he swears the series is over.

He announced recently that his 11th season would be his last, but some trade observers are still doubting Thomas. CBS stands with open checkbook, eager to retain an integral part of its Monday night powerhouse.

Thomas insisted there will be no switch in his decision, which he said was due largely to reasons of health.

"I have a callous on my vocal cord," he said. "It is not a polyp and it is not cancerous; it cannot be removed by surgery."

"I am under a constant strain what with directing as well as acting in the show and taking care of the worries along with my partner Sheldon Leonard, of our other shows—Andy Griffith, Joey Bishop, Dick Van Dyke, Bill Dana."

"I receive medication twice a day, and the treatment is aimed at slowing me down. Because I feel lethargic, I have to protect my voice in order to rise above it, so I am straining my throat even more."

As further proof, he said his television family has been notified their options will not be picked up.

What happens to Danny next year?

"I may do nothing if my throat isn't better," he said. Then he added: "Of course I'll play the sands in Las Vegas and Harrah's at Lake Tahoe. And I'll be overseeing all our shows. I'll do six specials on television if anyone will buy them. And I'd like to play some fairs and auditoriums."

"All right, so I'm an entertainer. I can't quit. I work for a living, not for money. My work is my life."

Mt. Pleasant Group Has Meet

The Mt. Pleasant Commission on Education met at the church Tuesday evening. Plans were made for a Christmas program to be given Dec. 22 during the Sunday School Hour. Each class is to participate in the program.

A Bible Study Class was organized by the Rev. William Nelson. He distributed various translations of the Bible, to be used in the study program, which will meet for the first time on Dec. 26.

Those attending included Rev. and Mrs. Nelson, Mr. and Mrs. Carol Cook, Mr. and Mrs. Dorsey Bumgarner, Mr. and Mrs. Ross Morehead, Mrs. Russell Yaple, Mrs. Clyde Karshner, Mrs. Forrest Hopkins, Mrs. Charles Lauderdale, Mrs. John Brown, Mrs. Roy Rittinger, Mrs. Paul Counts and Miss Kathelene Streevey.

Ugly Duckling Had Charm

An ugly duckling can live as happy and as exciting a life as the belle of the ball. The late Elsa Maxwell proved this.

She herself often admitted her face would stop a clock, that her figure was like a sack of potatoes. Yet she became one of the most celebrated women of this century, popular, famous, and lionized.

It wasn't great wealth that brought glamor and excitement into her life, for she was always relatively poor in material things, but charm, ambition and brains.

Actually, Miss Maxwell was genuinely well-loved. Her friends were

legion, and most of them sincerely liked her. She had great wit, she was the opposite of egocentric, and she knew how to make other people happy.

There is a lesson in Elsa Maxwell's life. Say what you will, the dumpy little woman made the most of what she had. She didn't whine because she'd been shortchanged in certain departments.

She quickly learned that most people are only interested in themselves, not in you, and she parlayed that knowledge into a modern success story that will take some beating. Her stage-coach never turned into a pumpkin.

IN THE PROBATE COURT, PICKAWAY COUNTY, OHIO
Lemuel B. Weldon, Administrator
De Bonis Non of the Estate
of Lucile W. Gilmore, deceased
Plaintiff
vs.
Charles T. Gilmore and Horace W. Gilmore, Defendants

No. 21259

NOTICE OF PUBLIC SALE

In the probate court of Pickaway County, Ohio, I will offer for sale at public auction on the 23rd day of December, 1963, at 2:00 o'clock P.M., at the door of the Court House, Circleville, Ohio, the following described real estate situated in the County of Pickaway, State of Ohio, and in the City of Circleville, to-wit:

PARCEL NO. 1. Being lot number forty five (45) in W. W. Bieco's First Addition to said City of Circleville and known as lot number four hundred fifty seven according to the revised numbering of lots in said city and being numbered 151 W. Franklin Street, Circleville, Ohio, and being the same premises conveyed to Nellie M. Weldon, by Charles Henry Baldwin and Thomas Baldwin, trustees under the last will and testament of the estate of James W. Baldwin, deceased, by trustee, dated September 5, 1939 and recorded in Deed Record Vol. 125, page 522 of the Pickaway County Ohio Deed Records. Said premises are located at 151 W. Franklin Street, Circleville, Ohio.

PARCEL NO. 2. Situated in the City of Circleville, County of Pickaway and State of Ohio, and further described as follows:

Beginning at the northwest corner of lot number ten in Graves Subdivision of lands in said City of Circleville off the west side of said lot, thence in an easterly direction with the South line of Union Street in said city 71 feet and 4 inches, thence in a southerly direction with a line parallel to the west side of lot number ten to the north line of the C and M V Railroad; thence west with the north line of said railroad to the southwest corner of said lot number ten; thence in a northerly direction with the west line of said lot number ten to the place of beginning.

Being the same premises conveyed to the said Isaac Todd by Anne Hessinger and Elias Hessinger, by deed dated January 30 and April 3, 1891 respectively and recorded in Vol. 61 page 335 and 332 respectively of the Pickaway County, Ohio Deed Records, being the two parts of parcels of said lot number ten in Graves Subdivision of lands conveyed by said deed.

Said premises are located at 549 E. Union Street, Circleville, Ohio. Said premises were appraised as follows:

PARCEL NO. 1. is appraised at \$12,000.00.

PARCEL NO. 11 is appraised at \$2,700.00.

and must be sold for not less than two-thirds of the said appraised value and the terms of sale are as follows: 10 per cent of the purchase price is payable on the day of sale to the executor and the balance of said purchase price is payable on confirmation of the sale and delivery of deed to the purchaser.

Unappreciated Capitalists

By John Chamberlain

When is a country in danger of going Communist? It is not, as many tend to think, when it is a hopeless pawn to poverty. The threat of Communism ordinarily comes to a nation when it is first getting its head above water thanks to the effort of a few relatively uninhibited individuals, who may or may not be foreigners. It is then that the masses, who are at last getting a little more to put in their stomachs, begin to want faster progress without knowing just precisely what creates the plenty from which progress comes.

At this moment Venezuela is particularly vulnerable to a Communist revolutionary push. The country has obviously been doing comparatively well its last old-fashioned Latin American dictatorship, that of Perez Jimenez, is now rather ancient history. The present government, maintained by President Romulo Betancourt, has a semi-socialist orientation that displaces some free enterprise purists, but it has ruled as a coalition that contains middle class elements as well as Christian socialists. The chances are that Betancourt will be the first legally elected President in the history of Venezuela to relinquish his job, this coming month, to a legally elected successor.

What has brought Venezuela to a political take-off position that could, if Communism can be contained, result in a permanent alliance between democracy and a development that can be favorable to capitalist enterprise? The answer is something that no Venezuelan politician openly admits. Oil has done it. And the oil revenues that have brought both prosperity and Communist danger to Venezuela have been a creation of hated North American capitalists.

For fifteen years now the Venezuelans have been collecting fifty per cent of all the oil revenues generated by foreign

companies. The money has been plowed into the creation of a national oil company, and into all manner of agricultural reforms. But it is not only the fifty per cent tax money from oil that has benefited Venezuela. For international oil companies like the Creole Petroleum Corporation have sought profitable ways of employing their capital in other things that stand to benefit the host nation.

Creole Petroleum's offshoot, the Creole Investment Corporation, which set up shop in 1961, has already invested some \$6 million in twenty-odd companies that do such things as manufacture fiberboard and paper, make bricks, engage in cattle ranching, and distribute seed corn. Nobody can say with any pretense at honesty that this is done with an eye to the commercial exploitation of Juan Bimba, the poor Venezuelan. For the Creole Investment Corporation aim is to take only a minority stock position in the companies it finances, leaving control in the hands of local capitalists. Moreover, the stipulation is that Creole Investment capital shall be used to give employment to Venezuelans save for a scattering of U.S. technical advisers if and when they are needed to get an operation off the ground. According to the most recent estimate available, the Creole investment of \$6 million has brought more than \$20 million in local capital out of hiding and into job-making employment. If Creole hadn't been there, this money would have undoubtedly gone to Swiss banks for safe keeping.

Meanwhile, another offshoot of so-called "oil imperialism", the International Basic Economy Corporation which was created by Governor Nelson Rockefeller before he went into politics, has contributed more than \$12 million to the formation of local Venezuelan and other Latin American enterprises, many of which have been sold either in whole or in part to the local citizenry. The supermarkets that have been going up in Caracas and other Venezuelan communities are oil offsprings at one or two removes.

In 1962 Venezuelan farm production increased by thirteen per cent. Iron is bringing new enterprise to the Orinoco region. Juan Bimba, the man on the bottom, is putting rice in his belly. Sad to say, however, he is also developing enough interest in life to listen to the Communists, who are preaching Castroite violence and exploding bombs. Simply because capitalism has benefited the country, Venezuela is open to an effort at Communist take-over. Whoever said that there is justice in the world?

Looking Back in Pickaway County

FIVE YEARS AGO

Hunting success opening day was better than it had been in several years according to Bill Edwards, farm game specialist for the Ohio Wildlife Division.

Plans were disclosed that the General Scholarship Test for high school seniors would be held soon.

Asa Elsea, stellar guard and linebacker, was named Circleville High School's most valuable football player for the season during an annual grid banquet.

TEN YEARS AGO

Daniel Boone, Ashville, spent four days in St. Louis and attended the Ted Lewis Review at the Club Chase.

Mr. and Mrs. John Hayward

and two sons, Worthington, planned to spend Thanksgiving with Mrs. Hayward's mother, Mrs. A. D. Newmyer of N. Court St.

Dr. and Mrs. David Goldschmidt and daughters left for New York City to visit their parents.

TWENTY-FIVE YEARS AGO

Miss Virginia Marion and Mr. and Mrs. Sam Morris were joint hosts at a dinner at the Pickaway Country Club for the officers of Circleville Chapter No. 90, OES.

Approximately 100 members and guests attended the Washington PTA meeting at Washington School.

The Chamber of Commerce held a dinner meeting in Hanley's tearoom.

You're Telling Me!

By William Ritt
Central Press Writer

These are, indeed, the melancholy days (as the poets have it) for any Weather Man. He's either being laughed at and derided for being so wrong, or hated (confound him, anyway) for being right.

To Junior, the month of November is simply that time period between the night of goblins (Halloween) and the day of gobblers (Thanksgiving roast turkey).

To ease traffic problems, Munich, Germany, is introducing minicabs, half-size taxis charging half-price fares. Wonder if a full-size patron must hire two of 'em?

On reading that the U.S.S. Texas, the decommissioned old battleship, was the first U.S. naval vessel to show talkie movies, Zadok Dumkopf wonders if that was the origin of the famous Navy phrase: "Now hear this! Now hear this!"

Because 1964 is an election year in Britain the hit British satirical - comment TV series "That Was the Week That Was" is being cancelled as of Jan. 1. "Was" - is right!

Two million Americans now living tried to commit suicide but "failed" an American Public Health Association session is told. Perish the thought!

Two water colors by the late Adolf Hitler, recently put on display in the U.S. are reported valued at \$20,000. Not a bad price at all for the work of a one-time strictly two-bit Austrian house painter.

Speaking of YOUR HEALTH...

By LESTER L. COLEMAN, M.D.

Birth abnormalities, their cause and their prevention, are the object of a comprehensive survey sponsored by the National Institute of Neurological Disease. University hospitals and clinics are being recruited in this mass program to study every minute aspect of the problem.

Exhaustive studies of the emotional and physical background of parents and grandparents are being tabulated. The pregnancy period is being surveyed, with detailed concentration on progress, state of health, emotional balance and even social and economic factors.

The birth of the baby, the variations from the expected date of arrival, the condition of the umbilical cord and the placenta are also providing information of great importance.

The chemical content of the blood of infants and mothers, RH factor, prematurity and jaundice are stockpiling data for analysis.

Electric computers are being used to facilitate the processing of all this information.

The knowledge of birth defects cannot possibly resist this enormous enterprise which incorporates every phase of scientific, medical and surgical scrutiny.

The prevention of even a single birth defect will more than compensate for this coordinated effort. In preventive medicine lies the real hope for the sustained good health of man.

A simple but effective device that warms "banked" blood is contributing immeasurably to the life-saving value of transfusions.

Dr. C. Paul Boyan, of the Memorial Sloan-Kettering Cancer Hospital, found that by gently warming blood during transfusions many complications are avoided. This was particularly noted when large quantities of blood were used for special transfusion purposes.

The warming device, like many brilliant ideas, is uncomplicated and relatively free from possibility of error.

Blood banks store blood in refrigerators. With Dr. Boyan's device, before the blood is used for transfusion it is gently circulated through a coil of plastic tubing immersed in warm water.

Try and Stop Me

By BENNETT CERF

IN A PALM SPRINGS motel, a whole corridor was entertained one evening by a harangue conducted by a shrill wife in the motel's deluxe suite. The husband's entire contribution consisted of a few "uh-huhs."

Suddenly there was a series of bangs, a moment's pause, and then the plaintive wail of the wife. "Henry, I simply refuse to speak to you through three locked doors!"

The late Joe Frisco, stuttering comic, was actually funnier off-stage than he was before the footlights. He had an incurable mania for betting on horses that finished last.

A friend once urged him to put \$10,000 a year aside for a rainy day. "Comes another depression in ten years," explained the friend, "and you'll be sitting pretty with a hundred thousand dollars stashed away."

"N-nothing doing," decided Frisco. "With my l-l-luck, there'd be no depression, and I'd just be s-s-stuck with the hundred thousand!"

In Chicago, a bookseller complained to the police that a customer had purchased a copy of "A Dictionary of Underworld Slang"—and paid for it with a counterfeit five-dollar bill.

IN THE PROBATE COURT, PICKAWAY COUNTY, OHIO
Lemuel B. Weldon, Administrator
De Bonis Non of the Estate
of Lucile W. Gilmore, deceased.
Plaintiff
vs.
Charles T. Gilmore and Horace W. Gilmore, Defendants

No. 21259

NOTICE OF PUBLIC SALE
In the pursuance of the order of the Probate Court of Pickaway County, Ohio, I will offer for sale at public auction on the 23rd day of December, 1963, at 2:00 o'clock P.M. at the door of the Court House, Circleville, Ohio, the following described real estate situated in the County of Pickaway, State of Ohio, and City of Circleville, to-wit:

PARCEL NO. 1. Being lot number forty five (45) in W. W. Biech's First Addition to said City of Circleville and known as lot number four hundred and fifty-seven according to the revised numbering of lots in said city and being Number 151 W. Franklin in Street, Circleville, Ohio, and being the same premises conveyed to Nellie M. Weldon by Charles Henry Baldwin and Thomas Baldwin, trustees under the last will and testament of the estate of James W. Baldwin, deceased, by trustee's deed, dated September 5, 1939 and recorded in Deed Record Vol. 125, page 522 of the Pickaway County Ohio Deed Records.

Said premises are located at 151 W. Franklin Street, Circleville, Ohio.

PARCEL NO. 2. Situated in the City of Circleville, County of Pickaway and State of Ohio, and further described as follows:
Beginning at the northwest corner of lot number ten in said City of Circleville off the west side of said lot, thence in an easterly direction with the South line of Union Street in said city 71 feet and 4 inches, thence in a southerly direction with a line parallel to the west side of lot number ten to the north line of the C and M Railroad; thence west with the north line of said railroad to the southwest corner of said lot number ten; thence in a northerly direction with the west line of said lot number ten to the place of beginning.

Being the same premises conveyed to the said Isaac T. Todd by Anne Hessinger and Elias Hessinger by deed dated January 31 and April 3, 1891 respectively and recorded in Vol. 61, page 353 and 352 respectively of the Pickaway County Ohio Deed Records, being the two parts of parcels of said lot number ten in said City of Circleville.

Said premises are located at 549 E. Union Street, Circleville, Ohio. Said premises were appraised as follows:

PARCEL NO. 1. is appraised at \$12,000.00.

PARCEL NO. 11 is appraised at \$2,700.00.

and must be sold for not less than two-thirds of the said appraised value and the terms of sale as follows: 10 per cent of the purchase price is payable on the day of sale to the executor and the balance of said purchase price is payable on confirmation of the sale and delivery of deed to the purchaser.

Dr. and Mrs. David Goldschmidt and daughters left for New York City to visit their parents.

TWENTY-FIVE YEARS AGO
Miss Virginia Marion and Mr. and Mrs. Sam Morris were joint hosts at a dinner at the Pickaway Country Club for the officers of Circleville Chapter No. 90, OES.

Approximately 100 members and guests attended the Washington PTA meeting at Washington School.

The Chamber of Commerce held a dinner meeting in Hanley's tearoom.

You're Telling Me!

By William Ritt

Central Press Writer

These are, indeed, the melancholy days (as the poets have it) for any Weather Man. He's either being laughed at and derided for being so wrong, or hated (confound him, anyway) for being right.

To Junior, the month of November is simply that time period between the night of goblins (Halloween) and the day of gobblers (Thanksgiving roast turkey).

To ease traffic problems, Munich, Germany, is introducing minicabs, half-size taxis charging half-price fares. Wonder if a full-size patron must hire two of 'em?

On reading that the U.S.S. Texas, the decommissioned old battleship, was the first U. S. naval vessel to show talkie movies, Zadok Dumkopf wonders if that was the origin of the famous Navy phrase: "Now hear this! Now hear this!"

Because 1964 is an election year in Britain the hit British satirical - comment TV series "That Was the Week That Was" is being cancelled as of Jan. 1. "Was" - is right!

Two million Americans now living tried to commit suicide but "failed" an American Public Health Association session is told. Perish the thought!

Two water colors by the late Adolf Hitler, recently put on display in the U.S. are reported valued at \$20,000. Not a bad price at all for the work of a one-time strictly two-bit Austrian house painter.

Speaking of YOUR HEALTH...

By LESTER L. COLEMAN, M.D.

Birth abnormalities, their cause and their prevention, are the object of a comprehensive survey sponsored by the National Institute of Neurological Disease. University hospitals and clinics are being recruited in this mass program to study every minute aspect of the problem.

Exhaustive studies of the emotional and physical background of parents and grandparents are being tabulated. The pregnancy period is being surveyed, with detailed concentration on progress, state of health, emotional balance and even social and economic factors.

The birth of the baby, the variations from the expected date of arrival, the condition of the umbilical cord and the placenta are also providing information of great importance.

The chemical content of the blood of infants and mothers, RBC factor, prematurity and jaundice are stockpiling data for analysis.

Electric computers are being used to facilitate the processing of all this information.

The knowledge of birth defects cannot possibly result in this enormous enterprise which incorporates every phase of scientific, medical and surgical scrutiny.

The prevention of even a single birth defect will more than compensate for this coordinated effort. In preventive medicine lies the real hope for the sustained good health of man.

A simple but effective device that warms "baked" blood is contributing immeasurably to the life-saving value of transfusions.

Dr. C. Paul Boyan, of the Memorial Sloan-Kettering Cancer Hospital, found that by gently warming blood during transfusions many complications are avoided. This was particularly noted when large quantities of blood were used for special transfusion purposes.

The warming device, like many brilliant ideas, is uncomplicated and relatively free from possibility of error.

Blood banks store blood in refrigerators. With Dr. Boyan's device, before the blood is used for transfusion it is gently circulated through a coil of plastic tubing immersed in warm water.

This method has already been successfully used in a large series of cases. The value of all blood transfusions will be enhanced by this important addition to safety.

Although an epidemic of influenza or Asian flu is not expected, immunization is definitely advised. Federal, state and local health authorities agree that flu vaccines are particularly important for children, and the debilitated.

Pregnant women should consult their own physicians concerning their individual needs for vaccination.

Beards went out of fashion in 15th Century Europe when the introduction of helmets with chin pieces made a hairy face impractical. Men also began to crop their hair short in bow fashion.

Try and Stop Me

By BENNETT CERF

IN A PALM SPRINGS motel, a whole corridor was entertained one evening by a harangue conducted by a shrill wife in the motel's deluxe suite. The husband's entire contribution consisted of a few "uh-huhs."

Suddenly there was a series of bangs, a moment's pause, and then the plaintive wail of the wife. "Henry, I simply refuse to speak to you through three locked doors!"

The late Joe Frisco, stuttering comic, was actually funnier off-stage than he was before the footlights. He had an incurable mania for betting on horses that finished last.

A friend once urged him to put \$10,000 a year aside for a rainy day. "Comes another depression in ten years," explained the friend, "and you'll be sitting pretty with a hundred thousand dollars stashed away."

"N-nothing doing," decided Frisco. "With my I-I-luck, there'd be no depression, and I'd just be s-s-stuck with the hundred thousand!"

In Chicago, a bookseller complained to the police that a customer had purchased a copy of "A Dictionary of Underworld Slang"—and paid for it with a counterfeit five-dollar bill.

AMERICA'S FAVORITE DESSERT — For a variation this upside-down version of apple pie is topped with whipped cream. Ascorbic acid mixture keeps the apple slices beautifully white.

For the Apple of Your Eye

By JOAN O'SULLIVAN
Crisp fall weather spells harvest, a season of plenty and a good time to enjoy ripe red apples fresh from the orchard. They're not only crunchy and juicy but boast delicious flavor as well.

Eat apples for snacks or use them to make salad or dessert. To keep apples from turning brown, coat with ascorbic acid mixture. It will preserve the white inside color.

APPLE BALL SUPPER SALAD
1 tsp. ascorbic acid mixture
1/4 c. water
5 apples (4 c. apple balls)
Salad greens
1/2 lb. Cheddar cheese cut in strips (2c.)
2 c. cooked cubed ham

Personals

Mr. and Mrs. Leslie Karshner, 352 Watt St., have returned home after spending the past several days with Mr. and Mrs. Richard Ensing and children, Plainwell, Mich.

2-3 c. mayonnaise
1/2 c. sour cream
1 tsp. prepared mustard
1/2 tsp. salt
Dash of pepper
1/4 c. pineapple juice.
Combine ascorbic acid mixture and water in bowl.
Peel apples and cut in balls using melon ball cutter or measuring spoon.
Place balls in ascorbic acid mixture; toss to cover all surfaces. Cover and store in refrigerator.
Place greens on platter and arrange apple balls, cheese strips and ham cubes in piles.
Combine next 5 ingredients for dressing. Stir in pineapple juice.
Serve with salad.
Serves 6.

UPSIDE-DOWN APPLE PIE
1/4 c. light corn syrup
1/2 c. sugar
2 tsp. melted butter
1 tsp. ascorbic acid mixture
1/4 c. flour
1 tsp. grated lemon rind
1/2 tsp. nutmeg
Dash salt
6 sliced apples (4 to 5)
1 (8-in) round unbaked pastry shell
Whipped cream
Combine corn syrup, 1/4 c. sugar and butter in bottom of 8-in round layer cake pan.
Mix together remaining 1/4 c. sugar, ascorbic acid mixture, flour, lemon rind, nutmeg and salt.
Peel, core and slice apples into sugar and flour mixture. Toss well to coat each slice.
Turn apples into pan on top of syrup mixture. Fit unbaked pastry round over top. Flute edge and prick.
Bake in moderate oven, 375 degrees F., 45 min.
Remove from oven and cool at least 30 min. Invert on serving plate. Before serving, top with whipped cream.
Serves 6.

You can hang clothes without pins if you use one of the new braided latex lines. Just anchor the end loops, then tuck corners of clothes between the twisted strands.

More Tables Designed for Double Duty

By ELEANOR ROSS

Looking for a table that does more than hold plates? Some of the nicest tables are now on the market, including designs in walnut that are real conversation pieces, also some engineered for double duty.

A handsome table with two mobile pedestals is one. An excellent dining table, it can also double as a desk.

Pedestals seemingly support it at either end, but the table can stand on its own four legs without them.

One pedestal can pull out to become a storage unit. The other holds a typewriter and a generous amount of stationery. All surfaces are of handsomely grained walnut and the table is ideal for limited space layouts. Then there is a boat table that marks a change from the conventional oblong shape. It is straight at both ends and rounded at the sides.

There are tables of Spanish, Italian and Mediterranean influence, made to bring beauty to any interior.

One such dining table has panels of carved fretwork at either end, overlaid with fitted glass. The result is an airy, romantic break in an otherwise plain expanse.

The sapwood table is a favorite of this type, the dark heartwood of walnut and creamy sapwood merge in natural patterns. This presents a surface that has all the allure of a rare fabric or an abstract painting. Since the heartwood-sapwood pattern is achieved by skillful cutting and matching of woods, each table is a gem, distinctly one of a kind.

In addition to dining tables, there are new and interesting occasional tables. Modern classics are so popular, so well designed, that they go anywhere in a room, no matter what its style or decor.

One firm calls its line of tables "non-directional" as they lack the "front" or "back" of traditional design. Ornamentation is non-existent and interest is centered solely in the beauty of the wood.

For those who prefer more decorative detail, there is the low walnut game table with its top formed of veneers laid in a basketweave pattern to resemble a checkerboard.

Another design is a modern end table, designed with a pull-out shelf in front to hold serving basket or tray.

The Circleville Herald, Sat. Nov. 23, 1963 5
Circleville, Ohio

Kingston News Report

By Miss Margaret Thomas
Phone NI 2-3495

Miss Mary L. Harpster presided over the November meeting of the Ne Plus Ultra Sunday School Class in the Parish Hall at the Methodist Church.

The Thanksgiving theme was stressed in the hymns and the devotions. Committee reports were given, and plans were made to help fill the Thanksgiving baskets which will be placed in grocery stores and later delivered to needy families.

Named to the nominating committee for next year's officers were: Mrs. Wava Norman, Mrs. Evelyn Stephenson, Mrs. Paul Hankins, and Miss Margaret Thomas.

An invitation was read from the Adelphi Methodist Church to attend a tea and bazaar on Dec. 7 at 1:30 p. m.

A Thanksgiving reading was given by Mrs. Elizabeth O. Bennett. It was sent by Miss Mary Hyne from Mildred's Nursing Home.

Refreshments were served by Mrs. L. E. Kerns, Mrs. Cecil Bower, Mrs. N. J. Bond and Mrs. Harley Ours.

Mr. and Mrs. Tom Locke and children Vicki, Todd and Tommy of Canton spent from Friday through Sunday at the home of Mrs. Locke's parents, Mr. and Mrs. W. S. Rhoades.

Mr. and Mrs. Locke attended the football game at Ohio State on Saturday.

Additional Sunday dinner guests at the Rhoades home were Mr. and Mrs. Bill Rhoades and son, Layne.

Mrs. Herbert Lemley, Miss Joan Lemley and Mrs. W. S. Rhoades attended the Installation of OES Officers Saturday at New Lexington.

Mr. and Mrs. Dwight Dawson of Cuyahoga Falls spent from Saturday to Monday evening with Mrs. Charles Miller. On Monday they attended the funeral of their aunt, Mrs. Ella Dawson of Pleasantville. Services were held in Circleville.

Mrs. J. W. Fox of Whisler spent several days last week with her son-in-law and daughter, Mr. and Mrs. Carroll Minor, and daughter, Nancy.

Visiting Mrs. Joseph Mauger were her son-in-law and daughter, the Rev. Howard Montgomery and Mrs. Montgomery of Blissfield, Mich. and Miss Edith Mauger of Cincinnati.

Mrs. Celia Hinton, Mrs. Wava Norman, Mrs. Jay Minser and Mrs. Lawrence Betz Sunday evening visited the Emanuel

EUB Church in Circleville of which Rev. Metzler is the pastor. Rev. O. F. Gibbs of the First EUB Church delivered the sermon.

Thanksgiving services will be held in the Methodist Church 8 p. m. Nov. 27. The Rev. James K. Boor will deliver the sermon. The public is invited.

In observance of Thanksgiving Day, the speech and music departments of the Kingston-Union Schools will present a special assembly program at 11:15 a. m. Wednesday. Parents and friends are invited. School will be dismissed at the usual time on Wednesday afternoon.

Friends of Mrs. Celia Hinton surprised her on her birthday dinner and were at her home when she returned from church.

Those present were Mr. and Mrs. John White and Mrs. Anna Black of Marcy, Mrs. E. J. White and Mr. and Mrs. George Bevins and family of Columbus.

A daughter was born to Mr. and Mrs. Richard Arn at Doctors Hospital, Columbus on Sunday evening. She weighed 8 pounds-4 ounces.

Mrs. F. B. Mowery and family celebrate Thanksgiving with a dinner Saturday evening. Present at the Mowery home will be Attorney and Mrs. Brown Pettit and Mike of Lima and Mr. Lloyd Mowery.

Mrs. Mowery expects to go to New York next week for a visit with her son, Mr. James B. Mowery.

Like apple or prune stuffing with roast duck? It's good, too, when placed between two sides of pork spareribs that are to be baked. Skewer the sides of the spareribs together so the stuffing will stay in place.

Dear Abby:

by Abigail Van Buren

Still Overwhelmed!

DEAR ABBY: I had a neighbor who was a perfect gentleman. I met him quite by accident when a package was delivered to my back door instead of his, and I took it over there.

When I saw him I was so overwhelmed with emotion I had to hold on to the door to keep from falling over. He was the living image of my "dream man"—an image I had locked in my heart and mind for over 40 years. He must have noticed my heart on my sleeve, and cared a little, too, because he asked me if I wanted a glass of water. I never encouraged him, but we met at the village shopping center several times after that. We always exchanged warm greetings. Suddenly he moved! He didn't even say goodbye. I wonder if perhaps he lost interest in me because I had a WIN WITH NIXON FLAG IN MY WINDOW. Would it be too forward of me to ask at the Post Office if he left a forwarding address? I'd like to send him a Christmas card.

CAROLINE
DEAR CAROLINE: You may ask, but they might not be permitted to give it out. If you send him a Christmas card in care of his former address, it will be forwarded to him, I'm sure.

DEAR ABBY: I was delighted that someone finally brought to light the fact that improper music is being played at so many weddings. In the Protestant Episcopal Church secular music is not permitted in the marriage liturgy as it is a religious rite. I personally have dissuaded couples from using Lohengrin's "Processional" because it is from an opera involving a heathen magician, and that marriage was a failure. The other, "The Recessional" is unacceptable because it is from another fantasy, "A Midsummer Night's Dream," in which a lovely young girl is married to an ass-headed individual. No publicity, please. I am a clergyman.

NAMELESS
DEAR ABBY: I have a friend whom I like very much, but she has two spoiled children and

she takes them with her wherever she goes. They are so impossible with their constant whining and nagging that I simply cannot stand them!

How can I get this point over to her without losing her friendship? We get along wonderfully well when she leaves them home.

NERVOUS WRECK
DEAR NERVOUS: Most mothers accept any kind of criticism EXCEPT that which concerns their children. There is NO way to tell a mother that you "simply cannot stand her

children" without losing her friendship.

CONFIDENTIAL TO 'ONE WHO HAS NO TRUST': If you continue to live with your husband after all the proof you have of his cheating, lying and chasing (not to mention the brutal beatings!), you are sicker than he is. Talk to your priest. He has heard everything. Then go to your doctor. He has seen everything.

Mash canned cleaned shrimp with butter and add enough cayenne pepper to make you sneeze! Serve as a spread for crackers with tomato juice or some other before-dinner beverage. Cut the cayenne if your tasters don't like canapes hot

in an insurance agent simply means that a customer knows he is being served by the skill and experience of an honest man.

Your confidence in our agency will never be misplaced.

For the Apple of Your Eye

By JOAN O'SULLIVAN

Crisp fall weather spells harvest, a season of plenty and a good time to enjoy ripe red apples fresh from the orchard. They're not only crunchy and juicy but boast delicious flavor as well.

Eat apples for snacks or use them to make salad or dessert. To keep apples from turning brown, coat with ascorbic acid mixture. It will preserve the white inside color.

APPLE BALL SUPPER SALAD

1 tbsp. ascorbic acid mixture
1/4 c. water
5 apples (4 c. apple balls)
Salad greens
1/2 lb. Cheddar cheese cut in strips (2c.)
2 c. cooked cubed ham

2/3 c. mayonnaise
1/2 c. sour cream
1 tsp. prepared mustard
1/2 tsp. salt
Dash of pepper
1/4 c. pineapple juice
Combine ascorbic acid mixture and water in bowl.
Peel apples and cut in balls using melon ball cutter or measuring spoon.
Place balls in ascorbic acid mixture; toss to cover all surfaces. Cover and store in refrigerator.
Place greens on platter and arrange apple balls, cheese strips and ham cubes in piles.
Combine next 5 ingredients for dressing. Stir in pineapple juice.
Serve with salad.
Serves 6.

UPSIDE-DOWN APPLE PIE

1/4 c. light corn syrup
1/2 c. sugar
2 tbsp. melted butter
1 tsp. ascorbic acid mixture
1/4 c. flour
1 tsp. grated lemon rind
1/2 tsp. nutmeg
Dash salt
6 sliced apples
(4 to 5)
1 (8-in) round unbaked pastry shell
Whipped cream
Combine corn syrup, 1/4 c. sugar and butter in bottom of 8-in round layer cake pan.
Mix together remaining 1/4 c. sugar, ascorbic acid mixture, flour, lemon rind, nutmeg and salt.
Peel, core and slice apples into sugar and flour mixture. Toss well to coat each slice.
Turn apples into pan on top of syrup mixture. Fit unbaked pastry round over top. Flute edge and prick.
Bake in moderate oven, 375 degrees F., 45 min.
Remove from oven and cool at least 30 min. Invert on serving plate. Before serving, top with whipped cream.
Serves 6.

6. Male Help Wanted

EXPERIENCED meat cutter for
full time work, also need a begin-
ner for our meat department
GR 4-6428.

JUST Stop Kidding Yourself. The
only people who are making mon-
ey are those who work in the mar-
ket. The rest of us have to earn money.
I'm offering to high caliber mar-
ried men between 25 and 35 years:
1. Complete company paid train-
ing. 2. Weekly earnings of \$200 and
up. 3. Commission on repeat busi-
ness. 4. Company car. 5. Affiliation
with the finest and most progres-
sive company in the field. 6.
Unlimited advancement opportuni-
ty. This and more awaits the man
who are desirous of getting into the
selling profession or are presently
in selling but limited in income
or advancement. You owe it to
yourself and family to investigate
this opportunity. Men ready to
start immediately apply in person
only at the Holiday Inn, Chillicothe
Ohio, Saturday, November 25,
1962, at 1, 2, or 3 p. m. Ask for Mr.
Bartlett.

6. Male Help Wanted

WELL THERE YOU ARE MAKING \$50, \$60,
\$70 A WEEK and here I am begging you to quit.
Get out of the old rut and start a sales career
that can and will with sufficient desire, put you
on top. Answer now because you can hardly get
an opportunity like this any more. This job is
challenging, rewarding, selling one of the basic
necessities of life. Very liberal commission and
rapid advancement for those who qualify, plus
many fringe benefits. Look in your mirror; do you
see the man I want? If so mail me a letter at
once telling me a little about yourself. A confi-
dential interview will be arranged. (Your phone
number please) Write Mr. Carr, Box 204, Chil-
licothe, Ohio.

6. Male Help Wanted

WANTED: Boy to carry paper to
Kingston for Circleville Herald be-
tween ages 11-14. Good route. Write
the Herald or call GR 4-3131.

7. Female Help Wanted

EXPERIENCED typist for full time
work, small amount of general of-
fice work required. Write Box 77-A
c/o The Herald.

Lady Can You Talk?

Most ladies can (out talk) a man
any time. If you are convinced
that you can hold your own in a
man's business world, if you are
interested in a dignified
sales career with the largest
institution of the kind in the
world, have a good appearance
and personality, are over 25,
have a serviceable car and real-
ly want to earn far above aver-
age income, write Mr. Carr,
Box 204, Chillicothe, Ohio giving
a brief history of yourself and
your phone number. If you qual-
ify you will be contacted for a
personal interview.

9. Situation Wanted

HIGH school graduate, ex-service
man, married, 26 years old, de-
sires work in Circleville area. Write
Box 76-A, c/o The Herald.

6. Male Help Wanted

OUR PROBLEM —
Our problem is to get an important message across
to men who are sincerely seeking an opportunity
where future and income is limited only by one's own
ability and willingness to work, we are engaged in
testing public response and consumer acceptance
type work. We have an immediate company sponsored
training program. This automatically qualifies
you for immediate high income. We are not trying to
proselyte from other companies but we are trying to
make restless people on present jobs, aware of some-
thing better for themselves. I believe it should be
worth one hour of your time to hear of the fine pre-
stige, high income, tremendous potential offer we have.
IS IT WORTH ONE HOUR OF YOUR TIME TO HEAR
OUR PROGRAM AND HELP YOU WITH YOURS?
See Mr. Carr, 82 West Water St., Chillicothe, Ohio, on
Monday, November 25, Wednesday, November 27,
Friday, November 29, 1 thru 4 p. m.

OUR PROBLEM —

Our problem is to get an important message across
to men who are sincerely seeking an opportunity
where future and income is limited only by one's own
ability and willingness to work, we are engaged in
testing public response and consumer acceptance
type work. We have an immediate company sponsored
training program. This automatically qualifies
you for immediate high income. We are not trying to
proselyte from other companies but we are trying to
make restless people on present jobs, aware of some-
thing better for themselves. I believe it should be
worth one hour of your time to hear of the fine pres-
tige, high income, tremendous potential offer we have.
IS IT WORTH ONE HOUR OF YOUR TIME TO HEAR
OUR PROGRAM AND HELP YOU WITH YOURS?

GEORGE C. BARNES

TIGER CAGERS — The 1963-64 basketball campaign opens tonight for the Circleville High School basketball squad when they host the Lancaster Gales in the CHS gym. Here is the varsity team. Kneeling, left to right, Tom Smith, Tom Tootle, John Maxwell, Dave Bass, Bob Purcell, Doug Dunkel, John Thomas, John Pharr. Standing, Don Neff, coach; Chet Iery, Ron Seward, Terry Campbell, Doug Roth, Charles Lewis, Doug Price and Dick Butts.

Gales Boast Tall Team for Tiger Opener

The Lancaster Gales, opponents for Circleville High School basketball team tonight when they open the season in the Mill St. gymnasium, boast ample height.

Reports indicate that the Gales have at least six big men, three of them going over 6-4.

Paul Rector, at 6-6, is the tallest man on the squad. Chuck Schuyler is 6-5½ and Gary Crowell is 6-4.

Herm Smith is the heaviest man on the team. He is 6-3, and weighs 190-pounds.

LAST NIGHT the Gales dropped their opening game to Grove City, 58-49.

Tiger coach Don Neff, who saw the game, reported the Gales used practically every press defense there is in an attempt to get possession of the ball. Lancaster trailed most of the game.

Although the Lancaster squad is big, they did not show too much speed last night, according to Neff.

A senior squad will probably start for Circleville, with Tom Smith at center, Bob Purcell and Dave Bass at guards and Tom Tootle and John Pharr at forwards.

However, Tiger depth seems well balanced this year. John Maxwell and John Thomas both juniors, should see plenty of action.

Rounding out the squad are Doug Roth, Dick Butts, Doug Price, Charles Lewis, Terry Campbell, Ronnie Seward, Doug Dunkel and Chester Iery.

Browns Work On New Plays

Improved Dallas Defense Studied

CLEVELAND (AP) — The Cleveland Browns worked Friday on plays that Coach Blanton Collier hopes will be successful against an improved Dallas defense when the Browns meet the Cowboys here Sunday afternoon.

The coach pointed out that the Dallas defensive line had been helped by several moves since the last meeting of the two teams, when the Browns won a 41-24 decision at Dallas.

Bob Fry has been switched from end to tackle and Larry Stephens, formerly of the Browns, has shifted to end. George Andrie, a 264-pound end, missed the first encounter, but will be ready for Sunday's contest.

"It won't be an easy line to run against," Collier said, "in fact, we feel there has been an overall improvement in the Cowboys."

"Don Meredith did some great throwing against the Eagles." Against the San Francisco 49ers two weeks ago, Meredith established three team records — most attempts, 48; completions, 30; and yardage 460.

Offensive guards Jim Ray Smith, a former Brown, and Joe Bob Isbell are doubtful starters for the Cowboys Sunday because of knee injuries suffered three weeks ago in a game against the Washington Redskins.

Gene Hickerson Cleveland offensive guard, has been working out in basketball shoes because of a bruised toe, but is expected to be ready.

Ray Renfro, a 12-year veteran with the Browns, will be honored at halftime. He ranks third behind Mac Speedie and Dante Lavelli in the Browns all-time pass catching department, with 5,517 yards gained. He has scored 55 touchdowns.

Ken McBride and Dean Cahnice led the Los Angeles Angels pitchers last season with 13 wins each.

EX-Giant Leon Wagner led the Los Angeles Angels in home runs last season with 26.

Deers Maintain Pace, Win 90-45

Explosive Williamsport romped to a 90-45 win over Clarksburg of Ross County last night on the Eagles' home floor.

The Deers scored at a rate only slightly under the 100-plus clip per game they have been averaging this season. Their current average is now 98.4 per game.

Larry Beard, the Deers' 6-foot 5-inch pivot man, paced the team with 27 points, 24 coming from the field and three from the charity stripe. He also cleared the boards for 25 rebounds.

Williamsport completely dominated the boards, pulling down a total of 49 rebounds. Beard sat out much of the last quarter.

NICK WILLIAMS added 21 points to the Williamsport offense, sinking seven consecutive baskets at one point in the game. He was eight for 13 from the field. Rick Fenstermaker tallied nine of 17 goal attempts and dropped in one charity toss for a 19-point total.

Overall the Deers tallied 47 per cent from the field while they connected on 59 per cent of their charity tosses.

The victors had a slow first quarter as the host team went into an apparent stall. The score was 18-7 after eight minutes of play.

But they bounced back the second quarter, tallying 32 points while Clarksburg produced 13. The third period saw the host team holding a slight edge in the scoring column as Williamsport Coach Glenn Chester began substituting.

The Eagles notched 15 markers as the host team went into a last quarter effort provided the wide winning margin.

Large was high man for the losers with 16 points, coming on seven field goals and two charity tosses.

THE PRELIMINARY game between the reserve units of both schools was salvaged by Clarksburg, 57-39.

The Deers are now idle until Dec. 6 when they travel to Logan Elm for a Pickaway County League contest.

Williamsport, in five encounters.

High point honors in the game went to Mike Search of the winners who canned nine field goals and five charity tosses. Disbennett paced the losers' attack with 18 points.

LAURELVILLE won the reserve contest, 54-48.

Next Friday the Redskins open Ross County League play when they travel to Frankfort and on Saturday they host Logan Elm.

Laurelville plays Frankfort Tuesday night.

Trojans Cop Loop Tilt At Monroe

Bowen Scores 27 Points in Darby's Winning Effort

Trailing by five points at half-time, the Darby Trojans exploded for a 35-point second half to down Monroe, 64-51, in a Pickaway County League contest last night at the loser's floor.

Danny Bowen's 27 points was high for the game. The Trojan sophomore connected on 11 field goals and five charity tosses. Dave Rowland added 12 to the Darby offense.

Hitting double figures for the losers were Tom Seeley with 20 points and Buddy Blair with 10.

The winners trailed, 19-17, at the end of the first period and 34-29 at the intermission, but were on top 43-41 as the final period began. The game was a Pickaway County league tilt.

THE TROJANS have won one game in the league and have dropped two. Overall they have a record of two wins and two losses.

The Monroe Indians, veterans of seven games, have lost both Pickaway County League tilts they have played. For the season they own a 2-7 record.

The Indians are idle until Dec. 6 when they play at Jackson. Darby hosts Triad Friday.

Centralia Win Spearheaded By Burchwell

Centralia, behind high scoring Glenn Burchwell, had little difficulty posting a 70-39 win over host school Amanda-Clearcreek last night.

The Bulldogs' three-game experience and the 38 point output by Burchwell, a junior, provided the winning margin. Burchwell hit on 16 field goal attempts and dunked six charity tosses.

Amanda - Clearcreek coach Kermit McCafferty reported the Aces made typical "first game" errors, committing 15 turnovers and connecting on only 29.3 per cent of their field goals.

The winners, in upping their record to three wins and a single loss, connected on 46.1 per cent of their tries from the field.

THE ACES fell behind early in the game, trailing 14-6 at the end of the first period, 36-15 at halftime and 59-28 as the final frame began. The Centralia reserves won the preliminary tilt, 39-29.

Friday, Amanda - Clearcreek meets Fairfield Union in a Fairfield County League while the Bulldogs face Logan Elm Wednesday.

CENTRALIA
Allen, 2-0-4; Edler, 4-0-8; Austin, 3-1-7; Payne, 3-2-8; Burchwell 16-6-38; Lyons, 1-0-2; Haynes 1-0-2; Arledge, 0-1-1. Totals, 30-10-70.

Deers Maintain Pace, Win 90-45

Explosive Williamsport romped to a 90-45 win over Clarksburg of Ross County last night on the Eagles' home floor.

The Deers scored at a rate only slightly under the 100-plus clip per game they have been averaging this season. Their current average is now 98.4 per game.

Larry Beard, the Deers' 6-foot 5-inch pivot man, paced the torrid winning attack. He scored 27 points, 24 coming from the field and three from the charity stripe. He also cleared the boards for 25 rebounds.

Williamsport completely dominated the boards, pulling down a total of 49 rebounds. Beard sat out much of the last quarter.

NICK WILLIAMS added 21 points to the Williamsport offense.

Redskins Top Wildcat Five In Overtime

Kingston topped a determined Laurelville quintet, 66-56, last night at Kingston. The Redskins tallied 10 points in an overtime period to turn the tide.

The Wildcats trailed 20-11 when the first eight minutes ended. But in the second quarter they pulled to within three points, held their ground in the third and tied the game by the end of the regulation play at 56-56.

It was the first game of the season for the Wildcats from Hocking county, while the Redskins Red skis have won four and lost one, to powerful Williamsport, in five encounters.

High point honors in the game went to Mike Search of the winners who canned nine field goals and five charity tosses. Disbennett paced the losers' attack with 18 points.

LAURELVILLE won the reserve contest, 54-48.

Next Friday the Redskins open Ross County League play when they travel to Frankfort and on Saturday they host Logan Elm.

Centralia Win Spearheaded By Burchwell

Centralia, behind high scoring Glenn Burchwell, had little difficulty posting a 70-39 win over host school Amanda-Clearcreek last night.

The Bulldogs' three-game experience and the 38 point output by Burchwell, a junior, provided the winning margin. Burchwell hit on 16 field goal attempts and dunked six charity tosses.

Amanda - Clearcreek coach Kermit McCafferty reported the Aces made typical "first game" errors, committing 15 turnovers and connecting on only 29.3 per cent of their field goals.

The winners, in upping their record to three wins and a single loss, connected on 46.1 per cent of their tries from the field.

THE ACES fell behind early in the game, trailing 14-6 at the end of the first period, 36-15 at halftime and 59-28 as the final frame began. The Centralia reserves won the preliminary tilt, 39-29.

Friday, Amanda - Clearcreek meets Fairfield Union in a Fairfield County League while the Bulldogs face Logan Elm Wednesday.

CENTRALIA
Allen, 2-0-4; Edler, 4-0-8; Austin, 3-1-7; Payne, 3-2-6; Burchwell, 16-6-38; Lyons, 1-0-2; Haynes 1-0-2; Arledge, 0-1-1. Totals, 30-10-70.

AMANDA

CAREER DAY — Dr. Francis B. McCormick, agricultural economist at The Ohio State University, answers questions posed by prospective students. The occasion is a College of Agriculture and Home Economics Career Day at Ohio State University. These young people are visiting the college's department of agricultural economics and rural sociology. Departmental visits such as this will highlight the college's Career Day on Dec. 7. A part of the afternoon program will permit the young people to visit departments of their choice. The conference will open at 9:30 a.m. in the Agricultural Administration building. The morning session will feature a talk by Dr. Roy M. Kottman, dean of the College, a panel discussion by students on life at Ohio State, and small group meetings in which parents and prospective students may ask questions of upperclassmen and faculty members.

Why do we buy refrigerators? What models are available? What are their main differences?

A refrigerator does more than keep food cold. It helps guard family health by retarding food spoilage; it offers temperatures from cool to cold to below freezing; it protects your pocketbook — you can buy in larger quantities, save leftovers, cut down waste; it requires little of you — weekly cleaning, defrosting (depending on the model); and electricity or gas to run it.

Recent developments in refrigerators are exciting. New methods of defrosting all add up to new prices, but not necessarily to a higher range. You can buy a good refrigerator, adequate in size, for less than \$200. Or you can pay up to \$800.

Refrigerators differ chiefly in the temperatures maintained in the two compartments and their provision for eliminating frost. The wide range of choices offered makes it difficult to decide which model will meet your needs.

There are about 25 manufacturers of electric refrigerators alone. Some of these offer as many as 14 different units.

Gas refrigerators are produced by only a few manufacturers. These operate more quietly than electric models, but the features are about the same. Purchase price will likely be somewhat higher than for electric models, but operating costs may be lower.

There are two main groups of refrigerators: standard or "conventional" models and refrigerator-freezers or "combination". "Standard" models provide fresh food storage and short-term preservation of a limited amount of frozen food. The freezer section is an integral part of the total refrigeration space.

Constant air movement takes place naturally between the two compartments, creating temperature fluctuations in the freezer section that are not conducive to proper freezing of foods or storage of frozen food. In the combination refrigerator-freezers, the two compartments are insulated (sealed off) from each other. Hence

there is no air movement between them. The freezer section maintains approximately zero degrees.

This zero temperature permits freezing of foods and long-term storage of frozen foods. Temperature in the fresh-food compartment is often several degrees lower than in a standard model.

One of the new words in refrigerators is "compact". Most of these small, one-compartment refrigerators have less than five cubic feet of storage area. Manufacturers point out that compactness can be moved around, loaded into cars taken to camps or wherever electricity is available, a few gas compact models are available.

Features vary from year to year, some are improvements, others may not be. Consider carefully the features that are important to you and decide whether they are worth the extra cost they may add to the price tag. Look for good quality materials, good construction, easy to manipulate and easy-to-clean features.

A refrigerator or combination refrigerator-freezer is a long-time investment. Under normal use and with proper care your appliance will last for many years.

Many refrigerators are traded in because a family wants a new model, not because the appliance is worn out.

Operating costs of any type will be greatly increased if owners are careless about opening the doors too often or leaving them open long. Food storage will be more satisfactory if users follow the directions for placement within the refrigerator and for cleaning.

Most manufacturers try to offer a good product. From then on, it's up to the owner.

Boone Picked Site

RICHMOND, Ky. (AP)—Kentucky now has title to 85.4 acres of land on the Kentucky River for development of Boonesboro State Park.

The state negotiated more than 12 years for the site, where Daniel Boone and his companions established a settlement in 1775.

Farm Facts . .

By GEORGE HAMRICK
County Extension Agent,
Agriculture

EARLY WINTER hog marketings will continue a little above that of last year. But farrowing prospects indicate some decrease in late winter and spring supplies compared with this year, report Ohio State University Extension economists.

MORE THAN 95 per cent of all hunting casualties in Ohio in 1962 occurred during the period between September and January.

IN ONLY four of the last eight general elections did more than half of Ohio's eligible voters actually cast ballots, according to Ohio State University Extension rural sociologists.

MULCH ANY fruit plant set out in the fall, advise Ohio State University Extension fruit specialists. Pruning should be delayed until spring.

AMERICANS spend 19 per cent of their income for food which amounted to \$394 per person last year. A decade ago they spent 23 per cent of their income for food.

OHIO'S turkey production this year is up about 300,000 birds, or 11 per cent above 1962. This production, however, is less than three-fourths of the prospective consumption in the state.

THE AMOUNT of horsepower required to move soil on U.S. farms each year would move a ridge of soil 100 feet high and a mile wide from New York to San Francisco.

CASTOR BEANS yield an oil with unique and valuable properties now used in paints, varnish fungicides and comets.

FALL PLANTING of fruit trees avoids the spring rush of other garden activities and gives fruit plants time to get established for early, vigorous spring growth.

OHIO USES more water for industrial purposes than any other state. In total supply the state uses twice the national average, according to the Ohio Water Commission.

4-H Club News

By EDWIN D. TAYLOR
County Extension Agent, 4-H

Thirty-three outstanding 4-H club boys and girls will make up Ohio's delegation to the National 4-H Club Congress in Chicago December 1-5.

The youngsters, all award winners in some phase of 4-H work, will join nearly 1,500 other boys and girls from 49 other states and Puerto Rico in a program geared to the theme, "Citizenship in Action". Their expenses will be paid by commercial firms and other organizations which help support the 4-H movement.

While in Chicago the young Ohioans will take part in discussions on citizenship, hear talks and panel presentations by some of the nation's leading educators, explore various career fields and visit points of interest in the city. They will travel by train, leaving Marion on Nov. 29 and returning a week later.

Six adults will accompany the boys and girls. They are Mrs. Myra Philpott, Allen County home economics agent; Richard Hill, Guernsey County 4-H agent; Mrs. Rose Batt, Defiance; and David Schilling, Upper Sandusky, both members of the state 4-H advisory committee; and Richard E. Young and Miss Beatrice Cleveland, members of the state 4-H staff.

Two of the delegates to the

4-H Congress are from Pickaway County. They are David Schein and Larry Vance.

David, the son of Mr. and Mrs. Paul Schein, Route 1, Williamsport, was selected by the State 4-H Awards Committee to receive his Club Congress trip in the area of beef. He is currently a member of the Senior Deercreek Livestock and the Circle Wires 4-H clubs.

During his seven years of club work David has completed 23 4-H projects in a variety of areas. He is active as a Junior Leader in his local 4-H club and in countywide 4-H activities, and also takes an active part in local community and school functions. His 4-H advisers are George Hammond, Clarence Clark, James Sykes, Marion Mowery, Paul Counts and George Hritz.

Larry, son of Mr. and Mrs. Chaney Vance, Route 2, Orient, was selected to receive his Club Congress trip through the Leadership Interview contest at the Ohio State Fair. He has just completed his 10th year of 4-H club work.

During the 10 years he has completed 27 4-H projects all with the grade of A. He has been active as a leader in his club, community and in county-wide activities. He is currently attending Ohio State University where he is a sophomore.

Larry is a member of the Darby Fine and Dandy, Pickaway Soil Savers and Pickaway Trouble Shooters 4-H clubs. His advisers are Franklin Riddle, Mostyn Garrett, Chaney Vance, Darwin Allen, Donald Archer, Casey Neal, Don Hill and Don Poling.

Walnut Whipperettes
The Walnut Whipperettes 4-H club met Monday at Walnut School for its first meeting of this school year.

New officers were elected. They are: Candy Huffer, president; Nancy Hines, vice president; Nancy Collins, secretary; Martha Sark, treasurer; Ruth Adams and Sandy Sanderson, news reporters; Lois Dill and Kathy Harbor, recreation leaders; Edna Holland, health leader; and Holly Davis, safety leader.

Kathy Brady and Debbie Hoffines were appointed for the community service committee. Refreshments were served and recreation was conducted. The next meeting will be Dec. 6 at Walnut School.

Larry Downs gave a report on Club Congress which he attended at Ohio State University. Piano solos by Lynn McCoy and Betsy Hamrick were presented.

Movies were shown that were taken when the Hill Climbers had a club tour to members homes to view their projects. Awards were presented to each 4-Her.

Refreshments were served by Mr. and Mrs. Frank Lands and Mr. and Mrs. David Bolender.

Veteran Norwegian explorer, Dr. Helge Ingstad says a site near L'An aux Meadows, a small fishing village at the northern tip of Newfoundland, closely fits the description of Leif Ericson's settlement in Icelandic sagas.

Grow Power Is Provided By Nitrogen

It works somewhat like gasoline — "The Go Power" for a modern, high-powered car says County Agent George Hamrick about the place if adequate nitrogen fertilization in profitable farming.

"You may use the best recommended practices — certified seed of high yielding varieties, careful seedbed preparation, plenty of mixed fertilizer at planting, proper cultivation and thorough insect and disease control — but, if your crop doesn't get plenty of nitrogen, all these steps will suffer and your final yields and profits will be reduced," the agent said.

Nitrogen is not a miracle product — it can't take the place of other recommended plant nutrients or farming practices.

However, because it is a key nutrient that promotes fast, lush growth of healthy dark green plants and helps the crop to make best use of other plant nutrients, it is necessary if you are to make the best and most profitable use of your other crop production steps.

USE OF recommended rates of nitrogen during the growing season is one of the safest steps toward getting the most returns from the investment and work in a crop, Hamrick said. Nitrogen can generally be counted on to pay back at least two or three times its original cost in increased yields and profits.

Research has shown that, with a sound fertility program and proper adjustments in time of application, little difference in crop yield is obtained between various nitrogen carriers. The important thing is to apply recommended amounts at the right time.

A good shot of nitrogen at sidedressing or topdressing time can make a healthy, growing crop step out and grow off to its full potential yield, the agent advised.

Fire Threat

FRANKFORT, Ky. (AP) — The 1964 Kentucky General Assembly will be asked for stronger laws to help combat what has become a year-round forest fire threat in the state.

The state's fire control chief, H.W. Berckman, says his 30 years in the forestry division have convinced him that changing weather patterns have spread the forest fire threat throughout the year.

Kenya, the British East Africa colony set for independence December 1963, was named after its glacier-topped Mount Kenya. "Kenya" comes from the Bantu word "Kilinyaa" which means the "white mountain."

Outlook Good On Grain Prices

By GEORGE HAMRICK
County Extension Agent
Agriculture

Prices which farmers receive for their 1963 grain crops should average a little more than they did last year, especially on soybeans and corn.

Several factors are influencing price prospects for the year ahead, according to Gene Futrell, Ohio State University Extension economist. These include reserve grain supplies, government price supports, domestic demand, CCC sales, and prospects for foreign markets.

Here's the way Futrell sees the grain price outlook by commodity:

SOYBEANS — The potential supply for the marketing year is only slightly larger than a year ago. Normal increases in domestic and export demand will absorb this increase, so prices for the remainder of the marketing year ahead should average above 1963 levels. It appears the risk in holding beans is not great. Prices in mid-November were already 45 cents per bushel above those of a year ago. But chances are good that further storage costs can be covered.

However, any sizable further increases will depend on a shorter crop than now seems likely or an unusually strong export demand.

CORN — Crop estimates indicate a record production of 4 billion bushels, 10 per cent above last year but export prospects appear good. The price support rate and CCC selling authority will be major factors in the market. The Ohio support rate on 1963 crop corn

is an average of \$1.12 a bushel. With export prospects bright, market prices should at least equal those of the 1962-63 marketing year, with a good probability that they will be somewhat higher.

WHEAT — Market prices will be influenced strongly by CCC selling policy for the remainder of the marketing year. Developments in the export trade were largely responsible for the dramatic price increase in the fall. The Ohio loan rate of \$1.87 a bushel will provide a floor on market prices. Current prices in Ohio of around \$2 a bushel are close to a year ago.

Prices are not likely to go much higher, nor will they drop below the loan rate. Late season prices are likely to decline due to the change in the price support level for 1964 crop wheat.

Feet of Clay
FRANKFORT, Ky. (AP) — Henry Clay's statue, which has stood in the state Capitol Rotunda since 1930, isn't cast in bronze as most people suspected.

Walker Hancock, a Boston, Mass. artist, said he discovered the statue was solid plaster recently when he was here to set up the statue of former Vice President Alben Barkley.

Hancock, who noticed a broken finger on the statue, said "there seems to be a gold paint undercoat and then black paint over that to give the bronzed effect."

He recommended to state officials that the Clay statue be cast in bronze before it falls apart.

Prices which farmers receive for their 1963 grain crops should average a little more than they did last year, especially on soybeans and corn.

Several factors are influencing price prospects for the year ahead, according to Gene Futrell, Ohio State University Extension economist. These include reserve grain supplies, government price supports, domestic demand, CCC sales, and prospects for foreign markets.

Here's the way Futrell sees the grain price outlook by commodity:

SOYBEANS — The potential supply for the marketing year is only slightly larger than a year ago. Normal increases in domestic and export demand will absorb this increase, so prices for the remainder of the marketing year should average above 1963 levels.

It appears the risk in holding beans is not great. Prices in mid-November were already 45 cents per bushel above those of a year ago. But chances are good that further storage costs can be covered.

However, any sizable further increases will depend on a shorter crop than now seems likely or an unusually strong export demand.

CORN — Crop estimates indicate a record production of 4 billion bushels, 10 per cent above last year but export prospects appear good. The price support rate and CCC selling authority will be major factors in the market. The Ohio support rate on 1963 crop corn

is an average of \$1.12 a bushel. With export prospects bright, market prices should at least equal those of the 1962-63 marketing year, with a good probability that they will be somewhat higher.

WHEAT — Market prices will be influenced strongly by CCC selling policy for the remainder of the marketing year. Developments in the export trade were largely responsible for the dramatic price increase in the fall. The Ohio loan rate of \$1.87 a bushel will provide a floor on market prices. Current prices in Ohio of around \$2 a bushel are close to a year ago.

Prices are not likely to go much higher, nor will they drop below the loan rate. Late season prices are likely to decline due to the change in the price support level for 1964 crop wheat.

Feet of Clay

FRANKFORT, Ky. (AP) — Henry Clay's statue, which has stood in the state Capitol Rotunda since 1930, isn't cast in bronze as most people suspected.

Walker Hancock, a Boston, Mass. artist, said he discovered the statue was solid plaster recently when he was here to set up the statue of former Vice President Alben Barkley.

Hancock, who noticed a broken finger on the statue, said "there seems to be a gold paint undercoat and then black paint over that to give the bronzed effect."

He recommended to state officials that the Clay statue be cast in bronze before it falls apart.
